# READER'S GUIDE TO THE PENNSYLVANIA BULLETIN AND PENNSYLVANIA CODE

## ***Pennsylvania Bulletin***

The *Pennsylvania Bulletin* is the official gazette of the Commonwealth of Pennsylvania. It is published every week and includes a table of contents. A cumulative subject matter index is published quarterly.

The *Pennsylvania Bulletin* serves several purposes. First, it is the temporary supplement to the *Pennsylvania Code*, which is the official codification of agency rules and regulations and other statutorily authorized documents. Changes in the codified text, whether by adoption, amendment, repeal or emergency action must be published in the *Pennsylvania Bulletin*. Further, agencies proposing changes to the codified text do so in the *Pennsylvania Bulletin*.

Second, the *Pennsylvania Bulletin* also publishes: Governor's Executive Orders; State Contract Notices; Summaries of Enacted Statutes; Statewide and Local Court Rules; Attorney General Opinions; Motor Carrier Applications before the Public Utility Commission; Applications and Actions before the Department of Environmental Protection; Orders of the Independent Regulatory Review Commission; and other documents authorized by law.

The text of certain documents published in the *Pennsylvania Bulletin* is the only valid and enforceable text. Courts are required to take judicial notice of the *Pennsylvania Bulletin*.

## **Adoption, Amendment or Repeal of Regulations**

Generally an agency wishing to adopt, amend or repeal regulations must first publish in the *Pennsylvania Bulletin* a Notice of Proposed Rulemaking. There are limited instances where the agency may omit the proposal step; they still must publish the adopted version.

The Notice of Proposed Rulemaking contains the full text of the change, the agency contact person, a fiscal note required by law and background for the action.

The agency then allows sufficient time for public comment before taking final action. An adopted proposal must be published in the *Pennsylvania*

*Bulletin* before it can take effect. If the agency wishes to adopt changes to the Notice of Proposed Rulemaking to enlarge the scope, they must re-propose.

## **Citation to the *Pennsylvania Bulletin***

Cite material in the *Pennsylvania Bulletin* by volume number and page number. Example: Volume 1, *Pennsylvania Bulletin*, page 801 (short form: 1 Pa.B. 801).

## ***Pennsylvania Code***

The *Pennsylvania Code* is the official codification of rules and regulations issued by Commonwealth agencies and other statutorily authorized documents. The *Pennsylvania Bulletin* is the temporary supplement to the *Pennsylvania Code*, printing changes as soon as they occur. These changes are then permanently codified by the *Pennsylvania Code Reporter*, a monthly, loose-leaf supplement.

The *Pennsylvania Code* is cited by title number and section number. Example: Title 10 *Pennsylvania Code*, § 1.1 (short form: 10 Pa.Code § 1.1).

Under the *Pennsylvania Code* codification system, each regulation is assigned a unique number by title and section. Titles roughly parallel the organization of Commonwealth government. Title 1 *Pennsylvania Code* lists every agency and its corresponding *Code* title location.

## **How to Find Documents**

Search for your area of interest in the *Pennsylvania Code*.

The *Pennsylvania Code* contains, as Finding Aids, subject indexes for the complete *Code* and for each individual title, a list of Statutes Used As Authority for Adopting Rules and a list of annotated cases. Source Notes give you the history of the documents. To see if there have been recent changes, not yet codified, check the List of *Pennsylvania Code* Chapters Affected in the most recent issue of the *Pennsylvania Bulletin*.

The *Pennsylvania Bulletin* also publishes a quarterly List of Pennsylvania Code Sections Affected which lists the regulations in numerical order, followed by the citation to the *Pennsylvania Bulletin* in which the change occurred.

### Printing Format

Material proposed to be added to an existing rule or regulation is printed in **bold face** and material proposed to be deleted from such a rule or regulation is enclosed in brackets [ ] and printed in **bold face**. Asterisks indicate ellipsis of *Pennsylvania Code* text retained without change. Proposed new or additional regulations are printed in ordinary style face.

### Fiscal Notes

Section 612 of The Administrative Code of 1929 (71 P. S. § 232) requires that the Office of Budget prepare a fiscal note for regulatory actions and administrative procedures of the administrative departments, boards, commissions or authorities receiving money from the State Treasury stating whether the proposed action or procedure causes a loss of revenue or an increase in the cost of programs for the Commonwealth or its political subdivisions; that the fiscal note be published in the *Pennsylvania Bulletin* at the same time as the proposed change is advertised; and that the fiscal note shall provide the following information: (1) the designation of the fund out of which the appropriation providing for expenditures under the action or procedure shall be made; (2) the probable cost for the fiscal year the program is implemented; (3) projected cost estimate of the program for each of the five succeeding fiscal years; (4) fiscal history of the program for which expenditures are to be made; (5) probable loss of revenue for the fiscal year of its implementation; (6) projected loss of revenue from the program for each of the five succeeding fiscal years; (7) line item, if any, of the General Appropriation Act or other appropriation act out of which expenditures or losses of Commonwealth funds shall occur as a result of the action or procedures; (8) recommendation, if any, of the Secretary of the Budget and the reasons therefor.

The required information is published in the foregoing order immediately following the proposed change to which it relates; the omission of an item indicates that the agency text of the fiscal note states that there is no information available with respect thereto. In items (3) and (6) information is set forth for the first through fifth fiscal years; in that order, following the year the program is implemented, which is stated. In item (4) information is set forth for the current and two immediately preceding years, in that order. In item (8) the recommendation, if any, made by the Secretary of Budget is published with the fiscal note. See 4 Pa. Code § 7.231 *et seq.* Where “no fiscal impact” is published, the statement means no additional cost or revenue loss to the Commonwealth or its local political subdivision is intended.

### Reproduction, Dissemination or Publication of Information

Third parties may not take information from the *Pennsylvania Code* and *Pennsylvania Bulletin* and reproduce, disseminate or publish such information except as provided by 1 Pa. Code § 3.44. 1 Pa. Code § 3.44 reads as follows:

#### § 3.44. General permission to reproduce content of Code and Bulletin.

Information published under this part, which information includes, but is not limited to, cross references, tables of cases, notes of decisions, tables of contents, indexes, source notes, authority notes, numerical lists and codification guides, other than the actual text of rules or regulations may be reproduced only with the written consent of the Bureau. The information which appears on the same leaf with the text of a rule or regulation, however, may be incidentally reproduced in connection with the reproduction of the rule or regulation, if the reproduction is for the private use of a subscriber and not for resale. There are no other restrictions on the reproduction of information published under this part, and the Commonwealth hereby consents to a reproduction.

# THE GENERAL ASSEMBLY

## Proposed Amendments to the Constitution of Pennsylvania

The following proposed amendments to the Constitution of Pennsylvania were first approved by the General Assembly during the 1998 session (Joint Resolution 1998-3), and were approved by the General Assembly for the second time during the 2000 session (Joint Resolution 2000-1). Pursuant to Article XI § 1 of the Constitution, the Secretary of the Commonwealth has caused the proposed amendments to be published.

Pursuant to Joint Resolution 2000-1, the Constitution and other laws, the Secretary will cause the proposed amendments to be presented to the electors of Pennsylvania in the form of ballot questions at the Primary Election to be held on Tuesday, May 15, 2001. If a ballot question is approved by a majority of the electors voting on it, the corresponding amendment becomes part of the Constitution.

The boldfaced words in the proposed amendments would be added to the Constitution and the bracketed words would be deleted.

Following each proposed amendment is the text of the question that will be placed on the ballot. Below each question is a Statement of the Attorney General, prepared according to statute, indicating the purpose, limitations and effects of the ballot question on the people of the Commonwealth.

Anyone who needs help reading this advertisement or who needs the text of the advertisement in an alternative format may call or write the Pennsylvania Department of State, Bureau of Commissions, Elections and Legislation, Room 303 North Office Building, Harrisburg, PA 17120, (717) 787-5280.

### JOINT RESOLUTION 2000-1

Proposing amendments to the Constitution of the Commonwealth of Pennsylvania, providing for the election of senators in certain circumstances; and further providing for retirement of justices, judges and justices of the peace.

The General Assembly of the Commonwealth of Pennsylvania hereby resolves as follows:

Section 1. The following distinct amendments to the Constitution of Pennsylvania are proposed in accordance with Article XI:

#### FIRST AMENDMENT TO THE CONSTITUTION OF PENNSYLVANIA PROPOSED BY JOINT RESOLUTION 2000-1

(1) That section 17 (f), (g) and (h) of Article II be amended and the section be amended by adding a subsection to read:

§ 17. Legislative Reapportionment Commission.

\* \* \*

**(f) Any district which does not include the residence from which a member of the Senate was elected whether or not scheduled for election at the next general election shall elect a senator at such election.**

**[(f)](g)** The General Assembly shall appropriate sufficient funds for the compensation and expenses of members and staff appointed by the commission, and other necessary expenses. The members of the commission shall be entitled to such compensation for their services as the General Assembly from time to time shall determine, but no part thereof shall be paid until a preliminary plan is filed. If a preliminary plan is filed but the commission fails to file a revised or final plan within the time prescribed, the commission members shall forfeit all right to compensation not paid.

**[(g)](h)** If a preliminary, revised or final reapportionment plan is not filed by the commission within the time prescribed by this section, unless the time be extended by the Supreme Court for cause shown, the Supreme Court shall immediately proceed on its own motion to reapportion the Commonwealth.

**[(h)](i)** Any reapportionment plan filed by the commission, or ordered or prepared by the Supreme Court upon the failure of the commission to act, shall be published by the elections officer once in at least one newspaper of general circulation in each senatorial and representative district. The publication shall contain a map of the Commonwealth showing the complete reapportionment of the General Assembly by districts, and a map showing the reapportionment districts in the area normally served by the newspaper in which the publication is made. The publication shall also state the population of the senatorial and representative districts having the smallest and largest population and the percentage variation of such districts from the average population for senatorial and representative districts.

\* \* \*

#### Ballot Question Regarding the First Amendment to the Constitution of Pennsylvania Proposed by Joint Resolution 2000-1

Shall the Constitution of Pennsylvania be amended with regard to legislative reapportionment to provide that when a reapportionment plan, upon attaining the force of law, contains a state senate district which does not include the residence from which an incumbent senator was elected, an election for the office of senator for that district shall be held at the next general election irrespective of when an election for the district is otherwise scheduled?

#### Statement of the Attorney General Regarding the First Amendment to the Constitution of Pennsylvania Proposed by Joint Resolution 2000-1

Providing for Election of Senators  
in Reapportioned Senatorial Districts

The purpose of the ballot question is to amend the Pennsylvania Constitution to address a particular possible consequence of the reapportionment of the legislative districts of the Commonwealth.

The Pennsylvania Constitution provides that, following each decennial federal census, a Legislative Reapportionment Commission shall be constituted to prepare a reapportionment plan for each of Pennsylvania's state senatorial and representative districts in response to changes in population.

The Pennsylvania Constitution also provides for the terms and qualifications of members of the General

Assembly. It provides that state senators shall be elected for terms of four years. It requires that they live in their respective districts for one year preceding their election, and that they reside in their respective districts during their terms of service.

State senators are elected at general elections, which are held in even-numbered years. Voters in odd-numbered senatorial districts elect their senators at one general election. Voters in even-numbered senatorial districts elect their senators at the next general election.

The proposed amendment would address the following situation. A reapportionment plan redraws a senatorial district. The newly drawn district does not contain the residence from which the senator who represented the previously drawn district was elected, and the newly drawn district is not scheduled to elect a senator at the next general election.

The effect of the proposed amendment would be to assure the voters in a senatorial district presented with this situation the opportunity to elect a senator at the next general election. The senator so elected would serve the final two years of the senatorial term for that district.

A limitation of the proposed amendment is that it would apply only to senatorial districts, and not to districts of the Pennsylvania House of Representatives. Members of the House are elected to two-year terms at every general election.

## **SECOND AMENDMENT TO THE CONSTITUTION OF PENNSYLVANIA PROPOSED BY JOINT RESOLUTION 2000-1**

(2) That Section 16 (b) of Article V be amended to read:

§ 16. Compensation and retirement of justices, judges and justices of the peace.

\* \* \*

(b) Justices, judges and justices of the peace shall be retired **[upon attaining] on the last day of the calendar year in which they attain** the age of 70 years. Former and retired justices, judges and justices of the peace shall receive such compensation as shall be provided by law. Except as provided by law, no salary, retirement benefit or other compensation, present or deferred, shall be paid to any justice, judge or justice of the peace who, under section 18 or under Article VI, is suspended, removed or barred from holding judicial office for conviction of a felony or misconduct in office or conduct which prejudices the proper administration of justice or brings the judicial office into disrepute.

\* \* \*

### **Ballot Question Regarding the Second Amendment to the Constitution of Pennsylvania By Joint Resolution 2000-1**

Shall the Constitution of Pennsylvania be amended to provide that justices of the Supreme Court, judges and justices of the peace shall be retired on the last day of the calendar year in which they attain the age of 70 years, rather than on the day they attain the age of 70?

### **Statement of the Attorney General Regarding the Second Amendment to the Constitution of Pennsylvania Proposed by Joint Resolution 2000-1**

Changing the Mandatory Retirement Date for Justices of the Supreme Court, Judges, and Justices of the Peace

The purpose of the ballot question is to change the mandatory retirement date for justices of the Supreme Court, judges and justices of the peace (now known as district justices).

Presently, the Pennsylvania Constitution requires that a justice of the Supreme Court, judge or justice of the peace retire on his or her 70th birthday. The ballot question would change this mandatory retirement date to the last day of the calendar year in which the justice of the Supreme Court, judge or justice of the peace turns 70.

The effect of the proposed amendment would be to extend the term of a justice of the Supreme Court, judge or justice of the peace beyond his or her 70th birthday to December 31st of the year in which that birthday occurs.

The proposed ballot question is limited to setting the mandatory retirement date. No change is made to the mandatory retirement age, which remains 70 years.

## **PROPUESTA DE ENMIENDAS A LA CONSTITUCIÓN DE PENNSYLVANIA**

Las siguientes enmiendas propuestas a la Constitución de Pennsylvania fueron primeramente aprobadas por la Asamblea General durante la sesión de 1998 (Resolución Conjunta 1998-3), y fueron aprobadas por segunda vez por la Asamblea General durante la sesión del 2000 (Resolución Conjunta 2000-1). En cumplimiento de lo dispuesto en el artículo XI, § 1 de la Constitución, el Secretario de Estado ha dispuesto que se publiquen por medio del presente las enmiendas propuestas.

Como lo ordenan la Resolución Conjunta 2000-1, la Constitución y otras leyes, el Secretario dispondrá que las enmiendas propuestas sean presentadas a los electores de Pennsylvania en forma de proposiciones electorales en la Elección Primaria que ha de efectuarse el martes 15 de mayo del año 2001. Si la mayoría de los votantes aprueban una proposición electoral, la enmienda correspondiente entrará a formar parte de la Constitución.

Las palabras subrayadas en las propuestas de enmienda serán adicionadas a la Constitución, y las palabras encerradas entre corchetes serán suprimidas.

A continuación de cada una de las enmiendas propuestas aparece el texto de la proposición que será colocada en la papeleta electoral. Debajo de cada proposición figura una Declaración del Fiscal General, preparada de acuerdo con el estatuto, la cual indica el propósito, las limitaciones y los efectos que la proposición electoral tiene sobre la comunidad del Estado.

Cualquier persona que necesite ayuda para leer este anuncio o que desee el texto del anuncio en un formato diferente, puede llamar o escribir al Departamento de Estado de Pennsylvania, Oficina de Comisiones, Elecciones y Legislación, Sala 303 (Pennsylvania Department of State, Bureau of Commissions, Elections and Legislation, Room 303) North Office Building, Harrisburg, PA 17120. (717) 787-5280.

KIM PIZZINGRILLI,  
*Secretario del Estado*

## **RESOLUCIÓN CONJUNTA 2000-1**

Enmiendas propuestas a la Constitución del Estado de Pennsylvania, referentes a la elección de senadores en ciertas circunstancias; y a la jubilación de magistrados y jueces superiores (justices), jueces (judges), y jueces de paz (justices of the peace).

Por medio del presente, la Asamblea General del Estado de Pennsylvania resuelve lo siguiente: Sección 1.

Se proponen las siguientes enmiendas a la Constitución de Pennsylvania, de acuerdo con el Artículo XI:

**PRIMERA ENMIENDA A LA  
CONSTITUCIÓN DE PENNSYLVANIA  
PROPUESTA POR RESOLUCIÓN CONJUNTA  
2000-1**

(1) Que la sección 17 (f), (g) y (h) del Artículo II sea enmendada y que dicha enmienda se produzca mediante la adición de una subsección que diga:

§ 17. Comisión de Redistribución Legislativa.

\* \* \*

**(f) Un distrito que no incluya la residencia por la cual fue elegido un miembro del Senado, haya sido o no programado para elección en la próxima elección general, elegirá un senador en dicha elección.**

**[(f)](g)** La Asamblea General apropiará los fondos suficientes para la compensación y los gastos de los miembros y del personal nombrado por la comisión, y para otros gastos que sean necesarios. Los miembros de la comisión tendrán derecho a dicha compensación por sus servicios, de la manera que en su momento determine la Asamblea General, pero no se pagará parte alguna de ella hasta que no se haya presentado oficialmente un plan preliminar. Si se ha presentado un plan preliminar pero la comisión no considera un plan revisado o final dentro del tiempo prescrito, los miembros de la comisión perderán todo derecho a la compensación no pagada.

**[(g)](h)** Si la comisión no ha considerado un plan preliminar, revisado o final de redistribución dentro del tiempo prescrito por esta sección, a menos que la Corte Suprema prolongue el tiempo por causa justificada, inmediatamente la Corte Suprema procederá de oficio a la redistribución del Estado.

**[(h)](i)** Cualquier plan de redistribución considerado por la comisión, o ordenado o preparado por la Corte Suprema si la comisión no actúa, será publicado por el funcionario electoral una vez en por lo menos un periódico de amplia circulación en cada distrito senatorial y de representante. La publicación incluirá un mapa del Estado que muestre la redistribución completa dispuesta por la Asamblea General por distritos, y un mapa que muestre la redistribución de los distritos en el área en que normalmente circula el periódico en el que se hizo la publicación. Así mismo, la publicación incluirá la población de los distritos senatoriales y de representantes que tengan la menor y la mayor población y la variación porcentual de dichos distritos en relación con la población promedio de los distritos senatoriales y de representantes.

a la Constitución de Pennsylvania  
Propuesta por Resolución Conjunta 2000-1**

¿Debería enmendarse la Constitución de Pennsylvania con respecto a la redistribución legislativa para proveer que cuando un plan de redistribución, al adquirir fuerza de ley, contener un distrito senatorial estatal que no incluye la residencia por la cual un senador en ejercicio ha sido elegido, se efectúe una elección para el cargo de senador por ese distrito en la siguiente elección general sin tomar en cuenta para cuándo de otra manera está programada una elección para ese distrito?

**Declaración del Fiscal General  
En Relación con la Primera Enmienda a la  
Constitución de Pennsylvania  
Propuesta por Resolución Conjunta 2000-1**

Para Proveer Elección de Senadores En Distritos Senatoriales Redistribuidos

El objetivo de la proposición electoral es la enmienda de la Constitución de Pennsylvania en consideración de una posible consecuencia en particular de la redistribución de los distritos legislativos del Estado. La Constitución de Pennsylvania establece que, a continuación del censo federal de cada década, debe conformarse una Comisión de Redistribución Legislativa que se encargue de preparar un plan de redistribución para cada uno de los distritos estatales y de representantes del estado, como respuesta a los cambios de la población.

La Constitución de Pennsylvania establece así mismo los términos y las calificaciones de los miembros de la Asamblea General. Establece que los senadores del estado serán elegidos por términos de cuatro años. Exige que antes de su elección ellos hayan vivido en sus respectivos distritos durante un año, y que residan en sus respectivos distritos durante el término de su servicio.

Los senadores estatales son elegidos en elecciones generales, que se efectúan en años pares. Los votantes de distritos senatoriales impares eligen sus senadores en una elección general. Los votantes de distritos senatoriales pares eligen sus senadores en la siguiente elección general. La enmienda propuesta atendería la siguiente situación. Un plan de redistribución reorganiza un distrito senatorial. El distrito recién organizado no incluye la residencia por la cual fue elegido el senador que representaba el distrito organizado en la forma anterior y no se ha programado la elección, en la siguiente elección general, de un senador por el distrito recién organizado.

El efecto de la enmienda propuesta sería garantizarles a los votantes de un distrito senatorial puesto en esta situación la oportunidad de elegir un senador en la siguiente elección general. El senador así elegido serviría los dos años finales del período senatorial por ese distrito. Una limitación de la enmienda propuesta es que ésta se aplicaría solamente a los distritos senatoriales, y no a los distritos de la Cámara de Representantes de Pennsylvania. Los miembros de la Cámara de Representantes son elegidos en cada elección general para periodos de dos años.

**SEGUNDA ENMIENDA A LA CONSTITUCIÓN DE  
PENNSYLVANIA PROPUESTA POR RESOLUCIÓN  
CONJUNTA 2000-1**

(2) Que la Sección 16(b) del Artículo V sea enmendada de tal forma que diga:

§ 16. Compensación y jubilación de magistrados superiores (justices), jueces (judges) y jueces de paz (justices of the peace).

\* \* \*

(b) Los magistrados superiores, los jueces y los jueces de paz obtendrán su jubilación **[ al alcanzar ] el último día del año calendario en el que alcancen** la edad de 70 años. Los magistrados superiores, jueces y jueces de paz que hayan estado en el cargo y los que se hayan jubilado, recibirán dicha compensación de acuerdo con lo establecido en la ley. Salvo que la ley establezca lo contrario, no se le pagarán salario alguno, ni beneficios de jubilación ni compensaciones de ninguna índole, presentes ni diferidas, a ningún magistrado superior, juez o juez de

paz que, de conformidad con la sección 18 o de acuerdo con el Artículo VI, esté suspendido, o haya sido destituido o se encuentre impedido para ejercer un cargo judicial por causa de una declaración de culpabilidad por razón de la comisión de un delito o por mala conducta en su cargo o por haber observado una conducta que perjudique la adecuada administración de justicia o por causarle un desprestigio al oficio judicial.

**Proposición Electoral Sobre la Segunda Enmienda  
a la Constitución de Pennsylvania  
Por Resolución Conjunta 2000-1**

¿Debería enmendarse la Constitución de Pennsylvania para disponer que los magistrados (justices) de la Corte Suprema, los jueces (judges) y los jueces de paz (justices of the peace) se jubilen a partir del último día del año calendario en el que alcancen los 70 años, en lugar del día en que alcancen la dicha edad de 70 años?

**Declaración del Fiscal General En Relación  
con la Segunda Enmienda a la Constitución de  
Pennsylvania**

**Propuesta por Resolución Conjunta 2000-1**

Cambio de la fecha obligatoria de Jubilación De los Magistrados (Justices) de la Corte Suprema, Los Jueces (Judges) y los Jueces de Paz (Justices of the Peace)

El objetivo de la proposición electoral es el cambio de la fecha obligatoria de jubilación de los magistrados (justices) de la Corte Suprema, los jueces (judges) y los jueces de paz (justices of the peace), ahora conocidos como jueces de distrito (district justices).

En la actualidad, la Constitución de Pennsylvania exige que los magistrados de la Corte Suprema, los jueces y los jueces de paz se jubilen el día en que alcanzan los 70 años de edad. La proposición electoral cambiaría esta fecha obligatoria de jubilación al último día del año calendario en que el magistrado de la Corte Suprema, el juez o el juez de paz alcancen los 70 años de edad.

El efecto de la enmienda sería prolongar el término de servicio de los magistrados de la Corte Suprema, los jueces o los jueces de paz más allá del día de su cumpleaños número 70, hasta el 31 de diciembre del año en que se celebra su cumpleaños.

La proposición electoral que se presenta está limitada a la fijación de la fecha obligatoria a partir de la cual se produce la jubilación. No se modifica la edad obligatoria de jubilación, que sigue siendo de 70 años.

**Rules 508—523. Reserved.**

**Rule 524. Supervised Bail.**

With or without a motion, and pursuant to local rules and Pa. R.Crim. P. 524, 527 and 530, a judge or district justice may, in addition to setting regular bail, authorize supervised bail and impose conditions in accordance with Local Rules 527 and 530. Supervised bail shall be an alternative to regular bail, and shall continue until revoked, rescinded or modified. The following provisions shall apply to supervised bail:

a. The judge or district justice shall contemporaneously set regular bail.

b. Supervised bail shall have the effect of suspending the need for posting regular bail for as long as defendant complies with the conditions of supervised bail, or until such time as the bail remains in effect. Nothing in this rule shall prevent the bail authority from modifying, rescinding or revoking such bail for sufficient reasons other than noncompliance, upon such notice as the judge or district justice deems appropriate. Defendant shall have the right to appear and contest rescission, modification or revocation.

c. Unless regular bail has also been revoked, defendant shall have the right to post it when supervised bail has been revoked or rescinded.

d. In order to be eligible for supervised bail, defendant must acknowledge in writing that he or she understands and consents to the conditions of supervised bail, including conditions relating to rescission, revocation and modification of such bail and being subject to immediate arrest without a warrant for violation of any bail condition. The form of the application, acknowledgement and consent shall explain that a violation may result in revocation of regular bail, as well, but until such revocation regular bail shall continue and defendant may post such bail until an order of revocation is entered by a judge or district justice.

e. Any probation officer of this court who has reasonable cause to believe that defendant has breached or is

breaching any condition of supervised bail shall have authority to declare supervised bail rescinded and to arrest defendant with or without a warrant.

f. Upon arrest and/or rescission, defendant shall be committed to prison pending the posting of regular bail, or reinstatement of supervised bail by a judge or district justice.

g. Defendant, the Commonwealth and the Adams County Probation Office shall each have the right to a hearing before a judge or, for cases pending before a district justice, a district justice. Defendant may request reinstatement of supervised bail, or modification of standard bail. Commonwealth and/or the Probation Office may request forfeiture of any monetary conditions of supervised bail and/or revocation of regular bail.

h. Unless the obligation is suspended or modified by the bail authority, defendant shall be required to pay supervision fees established by administrative order. Until changed, fees are set at \$25.00 per month general supervision fee, and \$6.00 per day fee for electronic monitoring. Defendant may request an evaluation of his or her financial condition and a reduction or suspension of supervision fees. The bail authority may reduce the fee to reflect defendant's ability to pay, or suspend the obligation entirely. In either case, defendant shall be under a continuing obligation to keep the Probation Office informed of any changes in his or her employment status and/or financial condition.

i. Forms as part of the Supervised Bail Program shall be adopted periodically in accordance with Local Rules of Criminal Procedure 527 and 530, by administrative order. Until changed, applications and orders setting bail shall be substantially in the form published as part of Local Rule 527.

j. A defendant, who has otherwise not been considered eligible for supervised bail, may request an order directing the Probation Office to assess his or her eligibility for supervised bail. Assessment will be made in accordance with Local Rule 527, with recommendations submitted by the Probation Office to the judge designated by the President Judge, via the District Attorney. An application, acknowledgement and consent, signed by defendant, shall be attached to the recommendation.

**Rules 525—526. Reserved.**

**Rule 527. Conditions of Supervised Bail.**

Nonmonetary conditions of bail shall be as established by Pa. R.Crim.P. 527, this rule and Local Rule 524. A bail supervision program is established. Procedures, protocol, forms and conditions of bail shall be as described by the program. Until changed by administrative order, description and scope of the program, protocol, procedure and conditions of bail shall conform to the following (numbering is for purposes of organization):

**ADAMS COUNTY SUPERVISED BAIL PROGRAM**

**(A) Purpose.**

The supervised bail program is meant to alleviate overcrowding in Adams County Prison by allowing qualified defendants to remain free on bail pending resolution of charges. The aim of the program is to ensure public safety and a defendant's appearance and compliance with conditions of his or her bail bond. The program is not intended as a rehabilitative tool, but rehabilitative conditions may be imposed when there is a substantial likelihood that:

(1) Conduct, which shall include substance abuse as well as particular mental or emotional states, which is addressed by particular rehabilitative conditions contributed to the charges, and

(2) Without intervention, such conduct is likely to continue and cause a violation of defendant's reporting requirements or other conditions of his or her bail bond.

**(B) Goals and Objectives.**

(1) To maximize the release of defendants on bail by identifying defendants most likely to meet reporting requirements and conditions of bail bonds through supervision.

(2) To help facilitate judicial decisions regarding bail by providing the issuing authority and/or Court with factual information about the defendant in a timely manner.

(3) To monitor defendants who have been placed on the supervised bail to ensure compliance with the conditions of release.

(4) To establish a process that would increase the release of qualified defendants from the Adams County Prison pending resolution of charges.

(5) To identify defendants with substance abuse problems, and when appropriate, to refer them to appropriate treatment facilities.

(6) To promote defendant's accountability through community supervision and treatment.

(7) To monitor defendants to ensure compliance with bail conditions.

(8) To provide information regarding a defendant's compliance with conditions, treatment requirements and overall progress on the program when plea agreements are presented to the Court and/or as aids to sentencing.

(9) To establish forms, protocol, procedure and reasonable rules and regulations to enable the Adams County Probation Office to administer and operate a supervised bail program and to inform defendants of bail conditions and consequences of violations thereof.

(10) To ensure public safety.

**(C) Intake.**

Intake procedure by the Probation Office involving supervised bail may be categorized as follows:

(1) Low risk supervision, where conditions are initially set by the bail authority, and defendant is immediately released subject to compliance with those conditions and an obligation to report to the Probation Office no later than 2:00 p.m. the following business day.

(2) Regular or more restrictive supervision, where the bail authority authorizes supervised bail, subject to establishment of conditions and execution of all necessary documents.

(3) The bail authority refers defendant to the Probation Office for assessment and recommendation of eligibility or non-eligibility for supervised bail.

Normally, judges and district justices should not authorize release on supervised bail prior to a defendant's referral to the Probation Office. Otherwise, a hiatus may occur in supervision. However, in exceptional cases, when the Probation Office is not open and when the judge or district justice determines that a defendant presents a low risk of violating conditions of the bail bond, a defendant may be released on supervised bail. All defendants shall be referred to the Probation Office for evalua-

tion, execution of necessary papers and supervision, and that office shall assess and process the defendant.

If a judge or district justice admits a defendant into the program when the Probation Office is open, defendant shall be referred to the office before being released. When the office is closed, low risk defendants may be temporarily released, after signing all necessary acknowledgements, agreements and consents, on condition that he or she report to the Probation Office no later than 2:00 p.m. the next business day following release. In all cases, the Probation Office shall provide the District Attorney with an opportunity to comment upon bail and to request conditions.

**(D) Classification and Entitlement.**

Classification and entitlement to supervised bail shall differ between low risk assessments and regular and more restrictive supervision as follows:

(1) Low risk assessments: The Probation Office shall submit its assessment and recommendation to the District Attorney, who shall approve, disapprove or approve with additional conditions. The application will then be returned to the Probation Office and defendant given an opportunity to agree to additional conditions and/or a higher level of supervision. If defendant agrees, he or she shall sign necessary forms, which will be forwarded to a judge or district justice for entry of an order. If defendant does not agree, the matter shall be listed for hearing. Defendant shall remain on supervised bail in the interim.

(2) Other assessments: The Probation Office shall follow the same procedure as in low risk cases. However, defendant shall not be entitled to supervised bail until he or she has either agreed to recommended or requested conditions, or after hearing.

(3) A defendant may agree conditionally with conditions and level of supervision, while requesting a hearing to consider modification. In such case, defendant may be released on supervised bail subject to the recommended conditions and level pending consideration of defendant's request for modification.

When defendant has been referred for an assessment, the Probation Office shall evaluate the defendant, confer with the District Attorney and promptly notify the referring judge or district justice of its recommendations. The report shall include: (a) when the bail authority has not yet authorized supervised bail, that defendant either be granted or denied supervised bail, and (b) when supervised bail is recommended or has been authorized, that a specific level of supervision and identified special conditions be imposed. If admission is recommended, defendant's signed application, acknowledgement and consent containing proposed conditions of supervision will be included. An order may then be entered releasing defendant on supervised bail. If defendant requests modification of any condition, a hearing shall be set.

No defendant shall be released on supervised bail until he or she has read, acknowledged understanding, agreed to comply with and signed supervised bail conditions and rules. Failure to do so will be deemed a rejection of supervised bail. The Probation Office shall promptly notify the appropriate judge or district justice of defendant's rejection, when the refusal occurs in the Probation Office.

District Justices shall notify the Probation Office by phone or fax when they have placed a low risk defendant on supervised bail. Copies of all orders and forms shall be promptly provided. Efforts should be made to avoid

having defendants "just show up" at the Probation Office without the prior knowledge of that office. District Justices shall also promptly provide the Probation Office with copies of orders in all cases where supervised bail is authorized, or where assessments are ordered.

The Probation Office shall periodically review admissions to the Adams County Prison to determine if any prisoners may be eligible for supervised bail. A probation officer may contact the President Judge or appropriate district justice with pertinent information and recommendations. In appropriate cases, a probation officer may assist prisoners in preparing and submitting bail applications, acknowledgements and consents. The District Attorney shall be provided an opportunity to agree or object to supervised bail.

**(E) Assessment and supervision levels.**

The Probation Office shall assess defendants to determine the level of necessary supervision and, after input from the District Attorney, shall recommend a particular level and special conditions, if any, to the bail authority. Levels may subsequently be changed upon recommendation of the Probation Office and approval of the bail authority. When restrictions are decreased, defendant's consent shall not be required. When restrictions are increased, defendant must agree, after being notified that failure to agree will be considered a rejection and rescission of supervised bail.

Levels will generally conform to the degree of supervision provided defendants released on probation or parole. In assessments for purposes of recommending a particular level, the Probation Office shall consider bail factors listed in Pa. R.Crim.P. 4002, impressions garnered during interviews, and other factors as may be set forth in this document. The office shall recommend one of four levels, which are:

1. Low risk supervision
2. Regular supervision
3. Intensive supervision
4. House arrest, with or without electronic monitoring

**(F) Documentation.**

The Probation Office shall maintain regular and appropriate records regarding defendant's supervision and compliance with bail conditions.

**(G) Initial field/home contact.**

The initial home visit/field contact shall take place within 3 working days of receipt of the case. The purpose of this contact is to verify the residence, obtain a layout of the residence, verify all occupants of the residence, and determine whether the possibility exists that weapons or illegal contraband might exist within the residence and determine whether the residence is a suitable environment.

**(H) Collateral contacts.**

Contact with local law enforcement authorities as well as treatment providers shall be encouraged in order to enhance the community supervision and monitoring of the defendant. Information shall be sought concerning adjustment in the community and compliance with bail conditions

**(I) Standard conditions of supervision.**

The following conditions, as set forth in Local Crim. Rule 705.1.d, shall apply to all defendants. 1a. b.; 3a. b. c.

d. e. f.; 4a. b. c.; 7a. c. d.; 8. Other conditions shall apply if specifically ordered. If defendant is under the age of 21, condition 1 c shall apply.

**(J) Levels.**

**(1) Low risk supervision**

This type of supervision will be ordered when a defendant presents a low risk of violating bail conditions and does not pose a threat to the community, but regular bail without monetary conditions may not guarantee defendant's required appearances, and defendant is unable to post such regular bail. Defendants under the age of 21 shall be subject to special condition 1c. Typically, defendant shall be required to report frequently by telephone and to periodically appear either at the Probation Office or to a local police department. Defendant shall be required to submit to random tests of blood, breath or urine to detect the presence of controlled substances and to pay a \$10.00 test fee. The right to travel beyond a 150-mile radius of the Adams County Courthouse shall be subject to at least ten days prior notice to the Probation Office. The Probation Office shall then notify defendant within three working days if it forbids, or approves such travel as well as any conditions it imposes.

Notice given orally to defendant shall suffice.

**(2) Regular Supervision**

This type of supervision will be ordered when defendant presents a moderate risk of non-compliance and will typically conform to supervision provided persons released on probation or parole for non-violent crimes, which are relatively minor in nature. Some felonies, such as forgery, may be included and some misdemeanors, such as indecent assault, may be excluded. Simple assaults may be included, depending upon the circumstances. Gradation of the offense shall not, in itself, be dispositive. Reporting requirements may not significantly differ from low risk supervision, but other conditions, such as prohibition of alcohol consumption, and drug and alcohol assessment may be added. The following are additional considerations:

- minimal or no prior delinquent or criminal history
- some history of mental or emotional disorders or drug/alcohol abuse but no present indications of such issues
- defendant has responded favorably to previous supervision
- defendant is employed or provides care for children

**(3) Regular supervision contact requirements**

There will be bi-weekly personal contact with the defendant. Telephone contact shall occur on a more frequent basis, as needed. Contact may either be with the Probation Office or a local police department, if authorized by court order or by the Probation Office.

The Probation Office shall conduct a minimum of one curfew check weekly and one home visit per month.

If bail conditions prohibit consumption of alcoholic beverages, defendant must pay a test fee and submit to random tests of his or her blood, breath or urine to detect the presence of controlled substances and/or alcohol. Test indication of the presence of alcohol or illegal controlled substances shall be grounds for rescission of supervised bail. Defendant may be ordered to undergo a drug and alcohol assessment/evaluation to determine the need for

appropriate treatment and to participate in recommended treatment. Standard conditions hereinafter recited shall be modified as follows:

*Curfew*—11:00 PM - 6:00 AM, unless special permission granted by Probation Officer or defendant is working at approved employment.

*Travel limitations*—Unless his or her bail conditions specify otherwise, a defendant may travel freely within a one hundred fifty-mile radius of the Adams County Courthouse, so long as the defendant remains within Pennsylvania and no approval is necessary. A defendant may request, as a part of his or her application, permission to travel beyond Pennsylvania, and if the request is granted, not further authorization will be needed. Otherwise, defendant must have the bail authority or a Probation Officer's permission to leave the Commonwealth. In any event, he or she must have such approval to travel beyond a one hundred and fifty-mile radius measured from the Adams County Courthouse.

*Employment/Education/Training*—If employed, must maintain employment. If unemployed, and if health permits, defendant must actively seek employment. The Probation Officer may require completion and weekly submission of job search applications. Defendant must continue schooling and/or job training if enrolled.

(4) *Special conditions of supervision*

The following criteria shall be considered in determining whether special conditions of probation as set forth in Local Crim. Rule 705.1(d) and being 1 c. d. e; 2 b. d., (which relate to consumption of alcoholic beverages, counseling and evaluation), should be imposed are:

- defendant has a history of criminal involvement with alcohol or controlled substances, such as a prior DUI conviction.

- police information indicates that alcohol or drug consumption was involved in the crime charged. This factor includes indications that defendant may have committed the crime while under the influence or was motivated by a desire to procure controlled substances and/or alcoholic beverages, or that the crime involves the use of controlled substances.

- defendant is charged with DUI and his or her blood alcohol concentration was .20 percent or greater.

- defendant has indicated symptoms of mental or emotional impairment, such as disorientation, confusion, incoherence, or inability to focus, think and speak rationally.

(5) *Intensive supervision*

(a) All conditions of regular supervision, except as changed or modified by more restrictive conditions, shall apply to intensive supervision.

(b) The following may be considered in determining whether defendant's bail should be intensively supervised:

- crimes which involve possible classification as a dangerous offender or violent sexual predator.

- the victim of the alleged crime is a child, or someone to whom defendant has convenient access, or whom defendant may have previously harassed, stalked or threatened.

- defendant has a significant history of delinquent and/or criminal behavior.

- defendant has a history of mental/emotional disorders or displays chronic alcohol or drug abuse.

- defendant did not comply with less restrictive conditions of the bail supervision.

- the Probation Officer's experience with the defendant or his or her prior criminal history gives the officer reasonable grounds to believe that more restrictive supervision is necessary.

The Probation Office shall maintain one face to face contact, either in the office or community setting, and one collateral contact weekly with the defendant. [Collateral contact is communication with the defendant by the telephone or communication in some manner with another person having regular contact with defendant, such as a local law enforcement officer, treatment specialist/provider, family member, etc.] The probation officer shall conduct a minimum of one curfew check per week as well as a minimum of two home visits per month on defendant.

The following conditions shall apply:

*Drug testing/breathalyzer*—minimum of one Breathalyzer and one urinalysis test per week. Random testing as deemed appropriate by the Pretrial Officer

*Curfew*—10:00 PM - 6:00 AM Sunday through Thursday unless working at approved employment 11:00 PM - 6:00 AM Friday and Saturday unless working at approved employment

*Travel limitations*—Within Adams County there shall be no restrictions as to travel and no approval is necessary, as long as defendant complies with other conditions, such as curfew. Outside County - Defendant must have Probation Officer's permission to leave Adams County. Requests for deviation must be submitted at least ten days in advance and the Probation Office shall have three working days to approve, with or without conditions, or disapprove the request.

*Employment/Education/Training*—Must maintain employment. If unemployed, and if physically able, must actively seek employment and complete job search forms. [Minimum of one per week] Must continue schooling if enrolled in school and continue educational pursuits as appropriate.

If ordered, the following condition will apply:

Evaluation and treatment Services - Defendant will undergo a drug and alcohol and/or mental health evaluation to determine the need for appropriate treatment, and shall follow the recommendations resulting from the evaluation.

(6) *House Arrest*

House arrest, with or without electronic monitoring is the most restrictive form of supervised bail. All conditions of restrictive supervision shall apply, as modified by more restrictive conditions. Defendant shall be confined to his or her residence and shall not be permitted to leave except for purposes and at such times as specifically authorized by the Probation Office. Defendant must keep the Probation Office informed of his or her whereabouts at all times.

House arrest may be ordered when charges involve serious crimes, where defendant has failed to comply with less restrictive conditions, or presents a threat to commit other crimes or to abscond. It involves situations where supervised bail would not normally be considered, but defendant's employment or family situation provides a degree of assurance that defendant will comply with

conditions of his bail. It may also be ordered when defendant's trial has been delayed, and regular bail imposes a financial hardship on defendant and/or his family. All travel must be approved by the defendant's Probation Officer.

(K) *Forms.*

Until changed by administrative order, the following forms are adopted.

**APPLICATION, ACKNOWLEDGEMENT AND CONSENT**

I hereby apply for release on supervised bail. I agree to pay fees associated with the Supervised Bail Program. I understand that I will be subject to supervision by Adams County Probation Office. I acknowledge that conditions of supervised bail have been explained to me and that I understand them. I also understand that additional conditions may be imposed in the future, and agree to comply with all conditions. I understand that if I refuse to agree to additional conditions or an increase in my supervision level, supervised bail may be rescinded and I shall be subject to imprisonment until I have posted regular bail.

I further acknowledge specific understanding of the following:

- If an Adams County Probation Officer has reasonable grounds to believe that I have violated conditions of supervised bail, the officer has absolute authority to declare supervised bail rescinded and to arrest and commit me to prison.

- If this happens, I have the right to post regular bail that has been set in addition to supervised bail, and to request a hearing to ask that the rescission be set aside, or that regular bail be modified or changed.

- The Probation Officer may also request a hearing to ask that monetary conditions of my supervised bail be forfeited, and/or that both supervised and regular bail be revoked.

- Conditions of supervised bail shall include conditions of probation and parole, 1a. b.; 3a. b. c. d. e. f; 4a. b. c.; 7a. c. d.; 8; and \_\_\_\_\_

I agree to comply with all conditions of supervised bail, including conditions of my bail bond.

2. I understand that my regular bail is set at \$ \_\_\_\_\_, and that I have the right to post regular bail, until and unless it is revoked.

3. If conditions 2b. or 2d. are included as conditions, I agree to cooperate in obtaining an evaluation and assessment, and if directed by the Probation Office, to participate in any treatment program [drug, alcohol or mental health program], educational program, psychiatric counseling, life skills programming, AA, NA or any other "Treatment" Program deemed appropriate by the Probation Officer during the period I am under supervision. I will follow all directives and recommendations made by the treatment and/or program provider. I understand that failure to complete a recommended "Treatment" Program or refusal to abide by the conditions of the program is a violation of my bail conditions and will result in rescis-

sion of supervised bail and my incarceration in the Adams County Prison until I post regular bail.

4. I agree to sign all appropriate "Release of Information" forms allowing the Probation Officer access to the "Treatment Program" information necessary to monitor my progress and compliance with all program conditions.

5. I agree to maintain my residence at \_\_\_\_\_, Phone # \_\_\_\_\_ and will not change my residence without the prior written permission of the Probation Office. I understand that I am not permitted to reside with or have any contact in any manner with non-family members who are codefendants, victims, persons on probation or parole or any person with a known criminal record.

6. I authorize the Adams County Adult Probation Department to search my person, property and/or residence at any time with or without a search warrant for the period I am on the supervised bail. Any items, the possession of which constitute a violation of the bail supervision rules/conditions and/or bail/bond conditions, may be seized and used as evidence before the Court in the Bail revocation process.

7. I agree that I may not own, possess, use, carry, or transport any firearm or deadly weapon while on the supervised bail. I understand that if there is any question about whether a particular article is a deadly weapon, I must seek the Probation Office's approval for such possession, use, or ownership.

8. I understand that I may not travel beyond a radius of 150 miles measured from the Adams County Courthouse. In addition, restrictions imposed in 8a and 8b shall apply if checked. I may not travel beyond designated areas without prior Probation Office approval. I also understand that I must request Probation Office approval for a deviation from any restriction at least 10 days in advance, and that the office shall approve or disapprove my request within three working days after receiving it. Lastly, I understand I must comply with all conditions imposed by the Probation Office regarding such travel.

- 8a. ☐ I understand that I may not leave the Commonwealth of Pennsylvania.

- 8b. ☐ I understand that I may not travel beyond Adams County.

9. I understand that condition 3a. requires me to comply with all municipal, county, state and Federal laws; and to live as a law-abiding citizen while on supervised bail. I understand that condition 3b. requires me to notify the Probation Office within 48 hours of receiving a criminal summons or citation, or of any arrest.

10. I understand that I am not permitted to associate or have any type of contact with any person with a criminal record without the prior approval of the Probation Office.

11. If condition 1c. is included as a condition of my supervised bail, I understand that I may not consume beverages containing alcohol. If 1e. is included, I may not consume alcoholic beverages without permission of the Probation Office.

12. I understand I must refrain from the unlawful possession, use, or distribution of illegal drugs and controlled substances.

13. If condition 1d. is included as a condition of my supervised bail, I understand that without prior approval

of the Probation Office I am not permitted to be present in any establishment that serves alcoholic beverages.

14. I agree to submit to blood, breath, or urinalysis testing at any time. Any positive results indicating the presence of a prohibited drug, drug metabolites, and/or a non-prescribed drug and/or alcohol (if I am subject to condition 1c. or 1e.) shall be a violation of supervised bail and will result in rescission of supervised bail and incarceration in the Adams County Prison. I understand that I will be given two [2] hours to produce a urine specimen of sufficient quantity for testing. Failure to produce a specimen of sufficient quantity and quality for laboratory testing within that time will be deemed a violation of supervised bail and can also result in my incarceration in the Adams County Prison.

15. I agree to comply with a curfew of \_\_\_\_\_ as imposed by the Probation Officer. During this period, I must live at the approved residence at all times.

16. I agree to pay fees as ordered, which are: ☐ \$25.00 per month supervision fee; ☐ an electronic monitoring fee of \$6.00 per day; or ☐ \$ \_\_\_\_\_.

17. I agree to sign a form waiving my rights to formal extradition, and/or the right to be produced before a judicial officer should I be arrested within another jurisdiction.

#### Rule 527.1. Realty Bail.

(A) In cases where realty is posted as bail, the following procedures shall be applied to determine the value of the realty and the equity in it:

(1) The fair market value of the realty shall be established by a written appraisal report prepared by a real estate broker duly licensed in Pennsylvania, within three (3) months of the date of presentation of the report; or by multiplying the assessed value of the realty (land and improvements) by the common level ratio factor prescribed by the Pennsylvania Department of Revenue from time to time for transfer tax purposes.

(2) The equity in realty shall be determined by considering the appraisal and a lien certificate signed by any attorney at law authorized to practice in this Common-

wealth, including the solicitor of the Recorder of Deeds, Prothonotary, Tax Claim Bureau, or a duly authorized agent of a title insurance company licensed to do business in Pennsylvania. The certificate must identify all liens against the property and the face amounts thereof. Statements from lienholders about current balances may also be considered.

(B) Certificates and appraisals shall be presented to the District Justice or to the Clerk for determination of the acceptability of the realty for bail purposes. A defendant may appeal any adverse ruling to the Court.

(C) The official with whom bail is posted shall collect a fee to enter and satisfy judgment in an appropriate office in the county in which the realty is situated. Until changed, the fee for judgments in Adams County shall be \$14.50. Defendant must produce proof of the fee for any county other than Adams.

(D) If a District Justice accepts such bail, he/she shall transmit the judgment and satisfaction fee and a certified copy of the bail bond to the Clerk's office. In all instances when realty is accepted, the Clerk shall transmit to the Court a certified copy of the bail bond, together with a proposed order directing that judgment be entered against both the defendant and surety in favor of the Commonwealth of Pennsylvania, to the use of the County of Adams.

(E) Upon receipt of an order signed by a judge, the Clerk shall transmit a certified copy of the order, the judgment and satisfaction fee, and a certified copy of the bail bond to the appropriate office for entry of judgment.

(4) if the case is listed for trial, the dates and times defendant must appear, and that failure to appear may result in a forfeiture of bail, the issuance of an arrest warrant and trial occurring in the absence of defendant.

(F) *Procedure.* At formal arraignment, a judge shall read the arraignment instructions. Defendants shall then be individually called before a judge, at which time the attorney for the Commonwealth shall read and explain the Information.

(G) Any defendant who is not represented by counsel shall be informed of the following:

(1) that he or she has the right to be represented by counsel and the right to have free counsel appointed if defendant is indigent

(2) that if defendant waives the right to counsel, he or she will be bound by the normal rules and procedure and that counsel would be familiar with those rules

(3) that possible defenses to the charges may be lost permanently if not raised at trial and that counsel may be aware of those defenses

(4) that in addition to defenses, there may be rights which may be permanently lost if not asserted in a timely manner

(5) that if errors occur and are not objected to in a timely manner, those errors may be lost permanently, and

(6) failure to obtain counsel shall not necessarily be grounds for a continuance of any part of the proceedings, including trial.

**Rules 572—699. Reserved.**

**Rule 700.1. Sentencing by any Judge.**

In addition to the judge who received the defendant's plea of guilty or of nolo contendere, any judge may sentence that defendant if the defendant was notified of that possibility at the time the plea was entered.

**Rules 702—704. Reserved.**

**Rule 705. Rehabilitative Programs.**

The Chief Probation Officer and Chief Juvenile Probation Officer shall submit a list of rehabilitative, treatment or therapy programs their respective offices propose to use as part of IPP, probation or parole to the President Judge, who may, after consulting with other judges of this court, approve the list either in whole or in part. Additions or deletions from the list may be proposed from time to time. Lists or amendments to the lists shall be filed with the Clerk, along with the administrative order of approval. Approval of a specific agency, such as Adams Hanover Counseling Service, shall serve to approve all therapists, counselors, psychologists and psychiatrist associated and in good standing with that agency.

**Rule 705.1. Conditions of Probation, Intermediate Punishment and Parole.**

(A) *General:*

Conditions of probation and/or parole may be established or changed by either local rule, specific order relating to a particular case or by administrative order. In addition to other filing requirements, all orders or rules shall be filed in the Clerk's office, and with each District Justice. Conditions identified as standard, by an asterisk, shall apply to all probation, parole or intermediate punishment supervision, unless specifically waived by court order. Special conditions, that is those without an identifying asterisk, shall apply only if checked. Special conditions may be ordered either at the time of sentence, or by order of modification thereafter. Any interested person, including probation officers, the District Attorney, or the defendant may request a modification of conditions at any time. The court may modify conditions after notice to interested parties, and an opportunity to be heard, but requests for modification may be denied without a hearing or prior notice. Interested parties may waive their right to hearing at the time a request is submitted.

(B) *Programs:*

Probation officers may require defendants to participate in approved programs, or to engage in therapy or counseling with approved counselors and other personnel, in accordance with Local rule 705. Programs and counselors may also be specially approved by order for specific cases.

(C) *Sexual Offenders:*

A judge, either when imposing sentence or upon later request, may direct that the defendant be classified as a sexual offender (SO) and be subject to special conditions identified as SO conditions. Conviction of any of the following crimes shall indicate a need for such classification:

(All references are to the Crimes Code, 18 Pa.C.S.A)

§ 2709(b), Stalking;

§ 2910, Luring a Child into a Motor vehicle;

§ 3121, Rape;

- § 3122.1, Statutory Sexual Assault;
- § 3123.1, Involuntary Deviate Sexual Intercourse;
- § 3124.1, Sexual Assault;
- § 3124.2, Institutional Sexual Assault;
- § 3125, Aggravated Indecent Assault;
- § 3126, Indecent Assault;
- § 3127, Indecent Exposure,
- § 5506, Loitering and Prowling at Night;
- § 5901, Open Lewdness;
- § 6301, Corruption of Minors (if defendant's conduct was sexual in nature);
- § 6312, Sexual Abuse of Children.

Unless the order provides otherwise, the classification shall be effective for a period of six months, during which time the Probation Office shall evaluate the defendant. The office shall recommend to the sentencing judge, or such other judge designated by the President Judge, that defendant's classification and supervision as a sexual offender be either continued or terminated. The period may be extended additional 6 month- periods at the request of the office.

Notwithstanding the above list of crimes, a judge may classify a defendant convicted of other crimes as a sexual offender, if the judge determines that the defendant will be benefited or the community be protected by SO conditions, or if the crime involved sexual overtones.

(C) *Conditions:*

Until changed by rule or administrative order, conditions of probation, parole and intermediate punishment are established in accordance with the following form:

(Caption)

**Rule 708.1. Violation of Probation, Intermediate Punishment, or Parole.**

Unless otherwise specifically noted, procedures established by this Rule shall apply to violations of probation, intermediate punishment, and/or parole, regardless of which particular form of supervision is involved.

(A) *Gagnon I Hearing Master*: The President Judge shall appoint an attorney authorized to practice before the Court to conduct Gagnon I hearings.

(B) *Gagnon I Hearings*: Normally, monthly hearings shall be scheduled by Court order at least three (3) weeks in advance. When a defendant has been committed to Adams County prison because of a violation, and no other

detainers require commitment, hearings may be more promptly scheduled. The master shall promptly file with the Court preliminary findings and recommendations.

(C) *Gagnon II Hearings*: Gagnon II hearings shall be conducted on Revocation Day and normally scheduled by Court order at least three (3) weeks in advance. As in the case of Gagnon I hearings, hearings may be more promptly scheduled when a defendant is incarcerated.

(D) *Failure to appear*: A judge may order that a bench warrant issue for the arrest of any defendant who fails to appear at a hearing. If possible, any person so arrested shall be produced before a judge within 72 hours after being placed in Adams County prison. If holidays or court business cause a delay, the defendant shall be produced before a judge at the first available opportunity after being placed at Adams County Prison. The judge shall explain the reasons defendant is being held, the right to counsel and to hearing(s) on the charges and the possible consequences of being found in violation.

(1) Normally, when defendant has been arrested for failure to appear at a Gagnon I hearing, appearance before a judge shall suffice and be in lieu of that hearing. However, a Gagnon I hearing may be scheduled at defendant's request.

(2) Defendant may admit some or all of the alleged violations, but shall be under no obligation to deny them.

(3) If bail is set, it shall be conditioned on the defendant appearing at the next regularly scheduled Gagnon I or Gagnon II hearing date that follows arrest by at least twenty-one (21) days.

*Comment*: Although scheduling pursuant to this local rule is intended to reflect a balance between the necessity to prepare for hearings and defendant's interest in prompt disposition of charges, considerations of reasonableness may dictate either earlier or later hearings. Nothing in these rules shall preclude requests for special scheduling.

(E) *Commencement of proceedings*: Revocation proceedings may be commenced by petition and rule to show cause or by arrest. When commenced by arrest, defendant shall be produced before a judge without unnecessary delay. If possible, defendant shall be produced within 72 hours of his placement at Adams County Prison.

**Rule 708.2. Intermediate Punishment Revocation Procedures.**(A) *General*

Because of considerations that are unique to intermediate punishment sentences, usually arising out of restrictive phases of the program, special or "fast-track" procedures applicable to revocation may be employed at the request of the Probation Office. To describe these and place them in perspective, the following provisions are adopted:

Conditions of the program shall be established by the appropriate Intermediate Punishment Board and by the Court. Until changed, the program shall consist of six (6) phases, with Phase III divided into two (2) aspects, as follows:

1. Phase I, partial confinement-work release.
2. Phase II, house arrest-electronic monitoring.
3. Phase III, intensively supervised probation.
4. Phase III, temporary, intense supervision awaiting entry into Phase I or Phase II.

5. Phase IV, modified intensive supervision.

6. Phase V, general supervision.

(B) General conditions of probation and parole, as set forth in Local Rule 705.1, shall apply to Phases III, IV and V.

(C) Revocation procedures established in Local Rule 708.1 shall be followed when a defendant is not incarcerated.

(D) When a defendant is incarcerated, the following procedure shall be followed:

(1) Within a reasonable time after incarceration occurs, the Probation Office shall transmit a request for an IPP review hearing to the District Attorney.

(2) As part of the request, the Probation Office may recommend that bail be set in a specified amount and be subject to any special conditions requested by the Probation Office. The Probation Office may also recommend that no bail be set.

(3) The District Attorney shall promptly submit an application to the court requesting that defendant's entry into the intermediate punishment program be revoked, that a hearing be scheduled and requesting that either that no bail be set, or that bail in a specified sum, subject to any requested conditions be set.

(4) The judge to whom the application is submitted shall schedule a hearing within fifteen (15) days of the defendant's arrest and may set bail, subject to any special conditions that are ordered. If defendant posts bail and is released prior to the scheduled hearing, the hearing may be rescheduled in accordance with Local Rule 708.1. Fast track revocation hearings will be conducted by a judge assigned by the President Judge to handle such intermediate punishment violations.

#### **Rule 708.3. Intermediate Punishment Revocation Forms.**

(A) Standard forms shall be used in IPP revocation proceedings, whenever possible. The District Attorney shall be responsible for drafting and utilizing petition forms. The Court may, by administrative order, change and adopt forms.

(B). Until changed, the initial order shall be substantially in the following form:

You have been charged with violating the conditions of your sentence to Intermediate Punishment. If the Court finds that you violated those conditions, you may be resentenced. If no plea agreement affects resentencing, the sentence could be the maximum authorized by law. You have the following important rights:

1. You have the absolute right to be represented by a lawyer. If you are too poor to hire a lawyer, a lawyer will be appointed to represent you at the cost of the County and at no cost to you. However, you must file an application with the Public Defender's Office and you must qualify before free counsel will be provided. It is your responsibility to file the application *promptly*. Your failure to have counsel will not be cause to continue or postpone the hearing.

2. You have the absolute right to a hearing, at which the Probation Office must prove that you violated the conditions set forth in this notice.

3. You may request that a judge set bail in this matter. If bail has already been set, you have the right to request that bail be lowered or that certain conditions be changed. The Adams County Probation office has recommended ☐ that you should not be allowed to post bail ☐ that bail be set at \$ \_\_\_\_\_ with cash percentage bail \_\_\_\_\_ available. **It is your responsibility** to petition the court for bail or for a bail reduction hearing. ## **DAUPHIN COUNTY**

### **Promulgation of Local Rules; No. 1793 S 1989**

#### **Order**

*And Now*, this 31 day of January 2001, Dauphin County Local Rule of Civil Procedure 215.4 is promulgated as follows:

#### **Rule 215.4. Complex Litigation Designation; Appointment of Single Judge.**

At any time after service of the complaint, any party to a case may petition the Court for complex litigation designation. The petition shall set forth the parties, the causes of action, the nature of cross or counter claims, and a brief statement of the perceived complexities of the case. The petition shall further aver that all other parties have been contacted and shall state whether or not they concur in the petition. Where concurrence has not been obtained, a rule to show cause, returnable within 10 days of service, shall be attached to the petition.

The matter shall thereafter be referred to the Civil Calendar Judge who, upon review of the petition and any answer filed thereto, shall determine whether complex

litigation designation is appropriate. If such status is granted, the Civil Calendar Judge shall by order assign the case to a member of this Court. This assignment shall be considered permanent for all pre-trial, trial, and post-trial matters.

A denial by the Civil Calendar Judge of complex litigation designation shall be without prejudice to refile after the pleadings are closed.

**Comment:** The Court is seeing an increased number of cases that will benefit from the early involvement of a judge, such as complicated commercial and medical malpractice cases, multiple motor vehicle/fatality cases, and novel product liability cases. This rule allows council to bring to the attention of the Court those cases that may require early judicial attention. The assigned judge can provide sustained and consistent pretrial management and preside at trial with a thorough understanding of the case, presumably expediting its conclusion through mediation or trial.

This amendment shall be effective 30 days after publication in the *Pennsylvania Bulletin*.

#### Order

*And Now*, this 25th day of January 2001, in order to better utilize judicial resources and address problematic issues with the transportation of prisoners, it is hereby *Ordered and Directed* that Local Rule NCR-308 is amended as follows:

The transportation Order shall be in the same format as previously prescribed.

The Northumberland County Court Administrator is *Directed* to file copies of this Order with the appropriate agencies.

# PROPOSED RULEMAKING

## ENVIRONMENTAL QUALITY BOARD

[25 PA. CODE CH. 218]

### Fees

The Environmental Quality Board (EQB) proposes to amend Chapter 218 (relating to fees) for three purposes: to adjust existing fees for registration of X-ray machines for inflation since last revised; to establish fees for accelerator licensing; and to establish fees for radioactive material licenses now administered by the Nuclear Regulatory Commission (NRC) that will be transferred to the Department of Environmental Protection (Department) when the Commonwealth attains Agreement State Status from the NRC.

This proposal was adopted by the EQB at its meeting on January 16, 2001.

#### A. Effective Date

These amendments will become effective immediately upon publication in the *Pennsylvania Bulletin* as final rulemaking.

#### B. Contact Persons

For further information, the contact persons are William Kirk, Chief, Radiation Control Division, Bureau of Radiation Protection, 13<sup>th</sup> Floor, Rachel Carson State Office Building, P. O. Box 8469, Harrisburg, PA 17105-8469, (717) 787-2480; and Marylou Barton, Assistant Counsel, Bureau of Regulatory Counsel, RCSOB, 9th Floor, 400 Market Street, P. O. Box 8464, Harrisburg, PA 17105-8464, (717) 787-7060. Information regarding submitting comments on this proposal appears in Section I of this preamble. Persons with a disability may use the AT&T Relay Service by calling (800) 654-5984 (TDD users) or (800) 654-5988 (voice users). This proposal is available electronically through the DEP website (<http://www.dep.state.pa.us>).

#### C. Statutory Authority

These amendments are proposed under the authority of the following statutes: sections 301 and 302 of the Radiation Protection Act (act) (35 P. S. §§ 7110.301 and 7110.302) which, respectively, direct the Department to develop and conduct comprehensive programs for the registration, licensing, control, regulation and inspection of radiation sources and radiation source users, and delegates to the EQB the power to adopt the regulations of the Department to implement the act. Section 401 of the act requires the Department to set reasonable annual fees for the registration of radiation sources and licensing of source users in amounts at least sufficient to cover the costs of administering the programs. Section 102(6) provides for assumption of licensing and regulatory responsibility for radioactive materials from the Federal Government. Section 302(b) provides that the EQB or its successor shall review the fee structure authorized by sections 401 and 402(b).

Section 1920-A of The Administrative Code of 1929 (71 P. S. § 510-20), which authorizes and directs the EQB to adopt regulations necessary for the proper performance of the work of the Department.

#### D. Background and Purpose

The act requires the Department to establish fees in amounts at least sufficient to cover the costs of the radiation protection program mandated by the act. The present fees were established in 1992 and have not been revised since that time, despite a substantial increase in inspector salaries and equipment costs. In the last fiscal year, receipts from registrations and licenses fell short of the costs to operate the program. Further, in 1998, the EQB amended Chapter 228 (relating to radiation safety requirements for particle accelerators) to provide that accelerators be licensed, with review of the proposed installation, use and radiation safety program, rather than simply being registered like X-ray machines. In addition to the costs of license application review, experience in recent years has demonstrated that the cost to the Department of inspections and enforcement for accelerators is greater than for X-ray installations. Finally, before the Commonwealth can acquire the authority and responsibility for the radioactive materials licenses in this Commonwealth that are now administered by the NRC, the Commission must have a fee structure in place to fund the effort. It is particularly important that the authority be established for "full cost" recovery for certain types of licenses, notably low level radioactive waste and decommissioning licenses, when there is no reasonable way of establishing set fees.

Therefore, amendments are proposed to Chapter 218 for the purposes of:

- (1) Increasing annual fees for registration of X-ray machines and for licenses to possess and use naturally occurring and accelerator-produced radioactive material (NARM) by an overall average of 40%, an amount sufficient to ensure income adequate to fund those programs.
- (2) Establishing fees for licensing of particle accelerators.
- (3) Establishing annual fees for radioactive material licenses located in this Commonwealth and now administered by the NRC. These fees will not be effective until the Commonwealth is granted Agreement State authority by the NRC under section 274 of the Atomic Energy Act of 1954 (42 U.S.C.A. § 2021).

As required by section 301(c)(14) of the act, the Department provided the Radiation Protection Advisory Committee (RPAC) with an opportunity to review the proposed amendments and to advise the Department prior to submittal to the EQB. On October 19, 2000, the RPAC met and reviewed the proposed amendments. The Chairperson announced by letter dated November 20, 2000, the Committee's concurrence to forward the proposed amendments to the EQB.

#### E. Summary of Regulatory Requirements

A description of the proposed amendments is provided as follows:

##### Chapter 218. Fees.

##### § 218.1. Purpose and scope.

A new subsection (b)(3) is being included to add holders of and applicants for accelerator licenses to the list of persons subject to this chapter.

### PAYMENT OF FEES

#### *§ 218.11. Registration, renewal of registration and license fees.*

Subsection (a) is rewritten to remove accelerators from the category of radiation-producing machines and to revise the fee structure for X-ray machines. The existing fee structure contains a registration fee that includes the first tube and a fee of \$25 for each additional tube. Fees will now consist of the sum of an annual administrative fee for each registrant plus a \$35 fee for each tube possessed. The fees are presented in a table. Overall, fees are increased by an average of 40% to compensate for increased staff salaries since 1992 when they were established.

Subsection (c) is revised to provide for fees for the NRC licenses that will be transferred to the Commonwealth upon achievement of Agreement State status. Because there are many types of licenses recognized by the NRC for which the Commonwealth does not have separate categories, the fees are tabulated in a new Appendix A. The lead sentence is revised by deleting "this subsection" and adding "Appendix A." Existing paragraph (1) and subparagraphs (i), (ii) and (iii) have been deleted. A new paragraph (1) is added to specify that no refunds will be made if a license is terminated. New paragraph (2) provides for changes in license category to take place on the anniversary date of the license. Existing paragraph (2), pertaining to exceptions, was deleted as it is no longer needed.

Subsections (d), (e) and (f) are renumbered to (e), (f) and (g), respectively, and a new subsection (d) is added to institute license fees for several classes of accelerator. These fees are proportional to the complexity and potential for radiation safety problems of the accelerators.

Language was added to renumbered subsection (e) to include reciprocity as a license category requiring advance payment of fees, to include the fees instituted in new subsection (d) in those to be invoiced, and to recognize the various fee schedules in the revised Chapter 218.

Language was also added to renumbered subsection (f) to recognize the new fee schedules. Other than renumbering, no change was made to subsection (g).

#### *§ 218.12. Failure by registrant or licensee to pay required fee.*

Subsection (b) was revised to provide that failure to pay X-ray registration fees shall be cause for revocation of the registration. The subsection already provides for revocation of licenses for nonpayment of fees.

### Appendix A

Appendix A is new and both replaces former language of § 218.11(c), which specified fees for NARM licenses, and establishes fees for licenses that will be transferred to the state when regulatory authority for most types of radioactive material is transferred from the NRC.

#### *F. Benefits, Costs and Compliance*

Executive Order 1996-1 "Regulatory Review and Promulgation," requires a cost/benefit analysis of the proposed amendments.

##### *Benefits*

Receipt of fees necessary to cover the costs of the radiation protection program will preserve the current program for the benefit of the people of this Commonwealth. Holders of radioactive materials licenses will

benefit from simplification of compliance costs associated with the present dual regulation and by generally reduced fees as noted.

##### *Compliance Costs*

The compliance costs under the proposed amendments will vary with the type of license or registration, or both, held. X-ray registrants and NARM licensees will incur a fee increase on average of about 40%. License fees for former NRC radioactive materials licenses will decrease by about 30% from FY2000 NRC fees, and somewhat more if they also hold a NARM license which will be combined with the NRC license at the fee for the NRC license. These holders of both types of RAM licenses will also experience substantial savings by no longer being required to follow two sets of regulations and be inspected by two regulators.

Holders of accelerator registrations being converted to licenses will incur an important increase in fees, the exact amount of which will be determined by the type and number of the machines that they possess. The EQB instituted the change to licensing because of the complexity and potential hazards associated with their use. License review, facility inspection and enforcement activities require considerably more time than regulation of X-ray machines, and the proposed fees reflect that fact.

##### *Compliance Assistance Plan*

Compliance assistance requirements are expected to be negligible because, other than changes in the amount of fees, and, for former NRC licensees, to whom they are paid, and the elimination of one set of inspectors, no changes in operating requirements are involved. Outreach and assistance will be provided by regional inspectors and technical staff in the Radiation Control Division.

##### *Paperwork Requirements*

No additional paperwork will be required under these proposals. Once Agreement State authority is approved, anticipated in 2002, and the NRC licenses converted to state licenses, over a period of a year, licensees will have significantly less paperwork.

#### *G. Sunset Review*

These regulations will be reviewed in accordance with the sunset review schedule published by the Department to determine whether they effectively fulfill the goals for which they were intended.

#### *H. Regulatory Review*

Under section 5(a) of the Regulatory Review Act (71 P. S. § 745.5(a)), the Department submitted a copy of the proposed amendments on February 6, 2001, to the Independent Regulatory Review Commission (IRRC) and the Chairpersons of the Senate and House Environmental Resources and Energy Committees. In addition to submitting the proposed amendments, the Department has provided IRRC and the Committees with a copy of a detailed Regulatory Analysis Form prepared by the Department in compliance with Executive Order 1996-1, "Regulatory Review and Promulgation." A copy of this material is available to the public upon request.

Under section 5(g) of the Regulatory Review Act, if IRRC has objections to any portion of the proposed amendments, it will notify the Department within 10 days following the close of the Committees' review period. The notification shall specify the regulatory review criteria that have not been met by that portion of the proposed amendments to which an objection is made. The Regulatory Review Act specifies detailed procedures for

review by the Department, the Governor and the General Assembly before final publication of the amendments.

## PENNSYLVANIA PUBLIC UTILITIES COMMISSION [52 PA. CODE CH. 69]

[M-00011445]

### Local Land-Use Plans and Ordinances In Issuing Certificates of Public Convenience

The Pennsylvania Public Utility Commission (Commission) on January 11, 2001, adopted a final policy statement order intending to further the State's goal of making State agency actions consistent with sound land use planning by considering the impact of its decisions upon local comprehensive plans and zoning ordinances. The contact person is Stanley E. Brown, Assistant Counsel, Law Bureau, (717) 783-3968.

Public meeting held  
January 11, 2001

*Commissioners present:* John M. Quain, Chairperson; Robert K. Bloom, Vice Chairperson; Nora Mead Brownell; Aaron Wilson, Jr.; Terrance J. Fitzpatrick.

#### Order

*By the Commission:*

On June 22, 2000, Governor Tom Ridge signed into law Acts 67 and 68 of 2000. Acts 67 and 68 of 2000, which became effective on August 21, 2000, amended the Municipalities Planning Code (53 P.S. § 10101 et seq.) to promote sound land-use planning and development at the local level. In addition, Acts 67 and 68 require State agencies to consider local land-use ordinances and comprehensive plans in making permit and funding decisions. Specifically, Section 1105 of Act 67 states, in pertinent part, that:

- (a) Where municipalities have adopted a county plan or a multimunicipal plan is adopted . . . and the participating municipalities have conformed their local plan and ordinances to the county or multimunicipal plan by implementing cooperative agreements and adopting appropriate resolutions and ordinances,
- (2) *State agencies shall consider and may rely upon comprehensive plans and zoning ordinances when reviewing applications for the funding or permitting of infrastructure or facilities.* (Emphasis added).

Section 619.2 of Act 68 states, in pertinent part, that:

- (A) When a county adopts a comprehensive plan in accordance with Sections 301 and 302 and any municipalities therein have adopted comprehensive plans and zoning ordinances in accordance with Sections 301, 303(d) and 603(l), *Commonwealth agencies shall consider and may rely upon comprehensive plans and ordinances when reviewing applications for the funding or permitting of infrastructure or facilities.* (Emphasis added).

Over the past 2 years, this Commission has supported the efforts of the Interagency Land Use Team (Team) and has actively participated in the agency-by-agency Land Use Programs Inventory. Established in 1991 as a result of Executive Order 1991-1 by the Governor's Center for

Local Government Services (Governor's Center), the Team, consisting of several State agencies under the jurisdiction of the Governor and representatives from State commissions, participated in over 50 land-use forums throughout this Commonwealth to provide a venue for Commonwealth residents to share their vision of the future and to provide creative solutions to land-use issues facing the Commonwealth. Among the concerns, one was consistently expressed: State agencies do not always coordinate their actions, nor do their actions always coordinate with local land-use plans.

In August 2000, the Governor's Center issued its *Interagency Land Use Team Supplementary Report* (Report). In this Report, the Governor's Center recommended, inter alia, that State agencies should implement policies to further the Commonwealth's goal of ensuring that State actions are consistent with sound land-use planning and development. As noted in Executive Order 1999-1, soundly planned growth is in the best interest of the Commonwealth and should be encouraged at all levels of government.

To further the State's goal of making state agency actions consistent with sound land-use planning, the policy statement essentially states that the Commission will consider the impact of its decisions upon local comprehensive plans and zoning ordinances. This policy will include, but is not limited to, reviewing applications for certificates of public convenience, siting electric transmission lines, siting a public utility building under section 619 of the Municipalities Planning Code (53 P.S. § 10619) and other Commission decisions.

Furthermore, the Commission encourages public utilities in the Commonwealth to consider the impact their actions may have on comprehensive land-use plans. By working together, the Commission and public utilities can further the goal of promoting sound land use in the Commonwealth.

Accordingly, under 66 Pa.C.S. §§ 501 and 1102, the act of July 31, 1968 (P.L. 769, No. 240) (45 P.S. § 1201 et seq.), and regulations promulgated thereunder in 1 Pa. Code §§ 7.1—7.4, the Commission issues this policy statement as set forth in Annex A;

*Therefore, It Is Ordered That:*

1. The Commission hereby adopts the Policy Statement set forth in Annex A regarding the Commission's consideration of local land-use plans.
2. The Secretary shall submit this order and Annex A to the Governor's Budget Office for review of fiscal impact.
3. The Secretary shall certify this order and Annex A and deposit them with the Legislative Reference Bureau for publication in the *Pennsylvania Bulletin*, and the Policy Statement shall be effective upon publication.

(*Editor's Note:* The regulations of the Commission are amended by adding a Statement of Policy at § 69.1101 to read as set forth in Annex A.)

JAMES J. MCNULTY,  
*Secretary*

**Fiscal Note:** No fiscal impact; (8) recommends adoption.

To further the State's goal of making State agency actions consistent with sound land-use planning, and

under the act of June 22, 2000 (P. L. 483, No. 67) and the act of June 23, 2000 (P. L. 495, No. 68), the Commission will consider the impact of its decisions upon local comprehensive plans and zoning ordinances. This will include reviewing applications for:

- (1) Certificates of public convenience.
- (2) Siting electric transmission lines.
- (3) Siting a public utility "building" under section 619 of the Municipalities Planning Code (53 P. S. § 10619).
- (4) Other Commission decisions.

#### NPDES Stormwater Individual Permit

---

The following parties have applied for an NPDES permit to discharge stormwater associated with a construction activity into waters of this Commonwealth. Unless otherwise indicated, on the basis of preliminary review and application of lawful standards and regulations, the Department of Environmental Protection (Department) proposes to issue a permit to discharge, subject to certain limitations set forth in the permit conditions. These proposed determinations are tentative. Limitations are provided as erosion and sediment control best management practices (BMPs) which restrict the rate and quantity of sediment discharged.

Where indicated, the EPA Region III Administrator has waived the right to review or object to this proposed permit action under the waiver provision 40 CFR 123.24(d).

Persons wishing to comment on the proposed permit are invited to submit a statement to the appropriate Department Regional Office noted above the application within 30 days from the date of this public notice. Comments reviewed within this 30-day period will be considered in the formulation of the final determinations regarding this application. Responses should include the name, address, and telephone number of the writer and a concise statement to inform the Department of the exact basis of a comment and relevant facts upon which it is based. A public hearing may be held after consideration of comments received by the appropriate DEP Regional Office during the 30-day public comment period.

Following the 30-day comment period, the appropriate Regional Office Water Management Program Manager will make a final determination regarding the proposed permit. Notice of this determination will be published in the *Pennsylvania Bulletin* at which time this determination may be appealed to the Environmental Hearing Board.

The application and related documents, including the erosion and sediment control plan for the earth disturbance activity, are on file and may be inspected at the office identified in this notice.

Persons with a disability that require an auxiliary aid, service or other accommodation to participate during the 30-day public comment period should contact the specified Regional Office. TDD users may contact the Department through the Pennsylvania AT&T Relay Service at (800) 654-5984.

**HAZARDOUS SITES CLEAN-UP  
UNDER THE ACT OF OCTOBER 18, 1988**

**Forge PCE Site, Schuylkill Township,  
Chester County.**

The Department of Environmental Protection (Department), under the authority of the Hazardous Sites Cleanup Act (HSCA) (35 P. S. §§ 6020.101—6020.1305), is proposing an interim response at the Forge PCE Site, Schuylkill Township, Chester County, Pennsylvania.

The Department, under the authority of HSCA, has conducted further investigations at the Forge PCE Site (Site), located in Schuylkill Township, Chester County. These investigations have included soil and groundwater sampling at a site formerly occupied by the Forge Cleaning Center located in Phoenixville Borough, Chester County and monitoring of numerous private drinking water supply wells located in Schuylkill Township, Chester County. This monitoring included regular sampling and limited maintenance of six full-house carbon filter units previously installed by Phoenixville Borough. The filters were installed by Phoenixville Borough as a result of investigations of a former Borough Landfill located near the affected residential wells. Studies conducted by the Borough revealed that the Tetrachloroethene (PCE) contamination in the residential wells was not attributed to the landfill site. Subsequently the Department began its investigation of the Site under HSCA. The Department has identified a plume of contaminated groundwater affecting a number of private wells that supply water for domestic use at several residences along Second Avenue in Schuylkill Township. The contaminant of concern at this site, PCE, is a volatile organic compounds (VOCs) used in the dry cleaning industry. A former dry cleaning business named Forge Cleaning Center, located near the intersection of Starr Street and Nutt Road in Phoenixville Borough is the suspected source of the groundwater contamination. PCE has been detected at concentrations above the Commonwealth of Pennsylvania's applicable or relevant and appropriate standards in home wells, surface water and sediment. Standards exceeded by PCE included Maximum Contaminant Levels (MCLs) of 5 micrograms per liter (ug/l) for drinking water, adopted by the United States Environmental Protection Agency (EPA) pursuant to the Safe Drinking Water Act (42 U.S.C.A. § 300f) et seq. and by the Pennsylvania Environmental Quality Board pursuant to the Pennsylvania Safe Drinking Water Act (35 P. S. §§ 721—721.17). Approximately ten wells are currently known to be affected or threatened by the contamination.

To address the release and threat of release of hazardous substances at the Site, and corresponding threats to human health and the environment, the Department proposes an interim response action at the Site under Sections 501(a) and 505(b) of HSCA. The Department is considering three alternative response actions to provide a long-term source of potable water to residents.

Alternative 1) No Action: The "No Action" alternative provides a baseline against which all other alternatives can be compared. Under Alternative 1 the Department

would discontinue monitoring and maintenance of the existing filtration units. If the Department selects the "No Action" alternative, the actual and potential health and environmental risk posed by the Site may worsen over time as the filters become ineffective at removing the contaminant.

Alternative 2) Continued Maintenance of Carbon Filtration Units: Carbon Filtrations is effective for removing PCE from well water. However, Alternative 2 is not a permanent solution because carbon filter units would require many years of ongoing operations and maintenance.

Alternative 3) Connection to a Water Supply System Utility: This alternative involves extension of the existing water supply main and connection of affected and threatened residences to the supply. This remedy would be implemented through a grant to the municipality (Schuylkill Township). This alternative would be a permanent solution, which would address all threats posed by the contaminants of concern to water supply wells in the vicinity of the Site.

In evaluating this alternative to date, the Department has considered the criteria of permanence protection of human health and environment, and the alternative's ability to meet applicable, or relevant and appropriate state and federal requirements (ARARs). The Department has also considered cost-effectiveness in analyzing the alternatives. The Department finds that the "No Action" alternative would not be protective of the public health. The Department proposes Alternative 3, connection to a public water supply, based on its preference for a permanent solution. In respect of the permanence of the alternative, a public water connection is preferable to carbon filtration of individual wells.

The Department's proposed alternative, connection to a public water supply, is protective of public health and the environment, complies with ARARs, and is feasible and cost-effective.

An Administrative Record, which contains more detailed information concerning this proposed interim response action, is available for public inspection. The Administrative Record may be examined from 8 a.m. to 4 p.m. at the Department's office at Lee Park, Suite 6010, 555 North Lane, Conshohocken PA 19428, (610) 832-6000. Those interested in examining the Administrative Record should contact Dustin Armstrong at (610) 832-6206 to arrange for an appointment. An additional copy of the Administrative Record is available for review at the Schuylkill Township Municipal Building, 111 Valley Park Road, Schuylkill Township, Chester County.

A public hearing is scheduled under Section 506(d) of HSCA for March 29, 2001, at 7 p.m. at the Schuylkill Township Municipal Building, 111 Valley Park Road. Persons who want to present formal oral comments regarding this interim response may do so by registering with the Department before the meeting. Individuals may register by calling the Department's Community Relations Coordinator, John Gerdemann, at (610) 832-6228.

Persons with a disability who wish to attend the March 29, 2001, meeting and require an auxiliary aid, service or other accommodation to participate in the proceedings should contact John Gerdemann at (610) 832-6228 or through the Pennsylvania AT&T Relay Service at (800) 654-5984 (TDD) to discuss how the Department may accommodate their needs. The public may also submit written comments regarding the Department's proposed interim response action during the period of public comment. In accordance with Section 506(c) of HSCA, the Department has established a period for public comment that is now open and will close on Friday, May 18, 2001. Written comments should be addressed to Dustin A. Armstrong, Project Officer, Pennsylvania Department of Environmental Protection, Lee Park, Suite 6010, 555 North Lane, Conshohocken PA 19428.

Individuals with questions concerning this notice should contact Dustin Armstrong at (610) 832-6206.

## LAND RECYCLING AND ENVIRONMENTAL REMEDiation UNDER ACT 2, 1995

### PREAMBLE 1

#### Acknowledgment of Notices of Intent to Remediate Submitted Under the Land Recycling and Environmental Remediation Standards Act (53 P. S. §§ 6026.101—6026.908)

Sections 302—305 of the Land Recycling and Environmental Remediation Standards Act (act) require the Department of Environmental Protection (Department) to publish in the *Pennsylvania Bulletin* an acknowledgment noting receipt of any Notices of Intent to Remediate. An acknowledgment of the receipt of a Notice of Intent to Remediate is used to identify a site where a person proposes to, or has been required to, respond to a release of a regulated substance at a site. Persons intending to use the background standard, Statewide health standard, the site-specific standard, or who intend to remediate a site as a special industrial area, must file a Notice of Intent to Remediate with the Department. A Notice of Intent to Remediate filed with the Department provides a brief description of the location of the site, a list of known or suspected contaminants at the site, the proposed remediation measures for the site, and a description of the intended future use of the site. A person who demonstrates attainment of one, or a combination of the cleanup standards, or who receives approval of a special industrial area remediation identified under the act, will be relieved of further liability for the remediation of the site for any contamination identified in reports submitted to and approved by the Department. Furthermore, the person shall not be subject to citizen suits or other contribution actions brought by responsible persons not participating in the remediation.

Under Sections 304(n)(1)(ii) and 305(c)(2) of the act, there is a 30-day public and municipal comment period for sites proposed for remediation using a site-specific standard, in whole or in part, and for sites remediated as a special industrial area. This period begins when a summary of the Notice of Intent to Remediate is published in a newspaper of general circulation in the area of the site. For the sites identified, proposed for remediation to a site-specific standard or as a special industrial area, the municipality, within which the site is located, may request to be involved in the development of the remediation and reuse plans for the site if the request is made within 30 days of the date specified below. During this comment period the municipality may request that the person identified, as the remediator of the site, develop

and implement a public involvement plan. Requests to be involved, and comments, should be directed to the remediator of the site.

For further information concerning the content of a Notice of Intent to Remediate, please contact the Environmental Cleanup Program Manager in the Department Regional Office under which the notice appears. If information concerning this acknowledgment is required in an alternative form, contact the Community Relations Coordinator at the appropriate Regional Office listed. TDD users may telephone the Department through the AT&T Relay Service at (800) 654-5984.

### NOTICE OF PLAN APPROVAL AND OPERATING PERMIT APPLICATIONS NONMAJOR SOURCES AND MODIFICATIONS

The Pennsylvania Department of Environmental Protection (DEP) has developed an "integrated" plan approval, State Operating Permit and Title V Operating Permit program. This integrated approach is designed to make the permitting process more efficient for DEP, the regulated community and the public. This approach allows the owner or operator of a facility to complete and submit all the permitting documents relevant to its application one time, affords an opportunity for public input and provides for sequential issuance of the necessary permits.

Notice is hereby given that DEP has received applications for plan approvals and/or operating permits from the following facilities. Although the sources covered by these applications may be located at a major facility, the sources being installed or modified do not trigger major new source review or prevention of significant deterioration requirements.

Copies of these applications, subsequently prepared draft permits, review summaries and other support materials are available for review in the Regional Office identified in this notice. Persons interested in reviewing the application files should contact the appropriate Regional Office to schedule an appointment.

Persons wishing to receive a copy of the proposed Plan Approval or Operating Permit must indicate their interest to the DEP Regional Office within 30 days of the date of this notice, and must file protests or comments on a Proposed Plan Approval or Operating Permit within 30 days of the DEP providing a copy of the proposed document to that person or within 30 days of its publication in the *Pennsylvania Bulletin*, whichever comes first. Interested persons may also request that a hearing be held concerning the proposed plan approval and operating permit. Any comments or protests filed with DEP Regional Offices must include a concise statement of the objections to the issuance of the plan approval or operating permit and relevant facts, which serve as the basis for the objections. If DEP schedules a hearing, a notice will be published in the *Pennsylvania Bulletin* at least 30 days prior the date of the hearing.

Persons with a disability who wish to comment and require an auxiliary aid, service or other accommodation to participate should contact the following Regional Office. TDD users may contact the Department through the Pennsylvania AT&T Relay Service at (800) 654-5984.

Final plan approvals and operating permits will contain terms and conditions to ensure that the source is constructed and operating in compliance with applicable requirements in 25 Pa. Code Chapters 121-143, the Federal Clean Air Act and regulations adopted under the Act.

### Applications Received and Intent to Issue Operating Permits Under the Air Pollution Control Act (35 P. S. §§ 4001-4015) and 25 Pa. Code Chapter 127, Subchapter F (relating to operating permit requirements).

Code §§ 77.522, 87.102, 88.92, 88.187, 88.242, 89.52, and 90.102) for iron, manganese, suspended solids, settleable solids, alkalinity, and pH. In addition to the above, more restrictive effluent limitations, restrictions on discharge volume, or restrictions on the extent of mining which may occur will be incorporated into a mining activity permit, when neces-

sary, for compliance with water quality standards (in accordance with 25 Pa. Code Chapters 93 and 95). Persons or agencies which have requested review of the NPDES permit requirements for a particular mining activity within the above-mentioned public comment period will be provided with a 30-day period to review and submit comments on those requirements.

Written comments or objections should contain the name, address and telephone number of persons submitting comments or objections; application number; and a statement of sufficient detail to inform the Department on the basis of comment or objection and relevant facts upon which it is based. Requests for an informal conference must contain the name, address and telephone number of requestor; application number; a brief summary of the issues to be raised by the requestor at the conference; and a statement whether the requestor desires to have the conference conducted in the locality of the proposed mining activities.

## DEPARTMENT OF LABOR AND INDUSTRY

### Office of Vocational Rehabilitation; Public Comment on Amendments to State Plan

The Department of Labor and Industry, Office of Vocational Rehabilitation (OVR), including the Bureau of Blindness and Visual Services (BBVS), under the Rehabilitation Act of 1973 as amended in the Workforce Investment Act of 1998, announces a period of public comment throughout the Commonwealth. The purpose of this period of comment is to provide individuals, advocates, and other interested parties and/or organizations the opportunity to present their views and recommendations regarding vocational rehabilitation (VR) services for persons with disabilities. In this Commonwealth, those services are provided by OVR through a network of 21

local offices including the OVR and the BBVS District Offices and the Hiram G. Andrews Center.

OVR, including BBVS, is required under law to develop and implement a Combined Agency State Plan which must be reviewed and, as necessary, revised annually when there are changes to the State's VR program. The Combined Agency State Plan, currently in effect for the period 2000-2004, is a compliance document filed with the Commissioner, Rehabilitation Services Administration, United States Department of Education. It is the blueprint for the provision of VR services to persons with disabilities in this Commonwealth.

This period of public comment gives interested parties an opportunity to provide input regarding this Commonwealth's public VR program. Specifically, comment is being solicited regarding the following State Plan components: summary of input and recommendations of the State Rehabilitation Council, response of the designated State unit, and explanations for rejection of input or recommendations; comprehensive system of personnel development; annual estimate of individuals to be served and costs of services; State's goals and priorities; order of selection; innovation and expansion activities; and supported employment services.

All meeting sites are accessible and interpreters for people who are deaf or hard of hearing will be present at each public forum. For additional information, reasonable accommodation requests, or alternative format requests please call the OVR District Office or BBVS District Office conducting the public forum you wish to attend.

If an individual or organization is unable to attend the public forums, but wishes to give testimony, written comments may be mailed to the appropriate OVR or BBVS District Office serving the area in which the individual/organization resides. Written comments should be submitted to that District Office by March 30, 2001.

A listing of OVR District Offices, the Hiram G. Andrews Center and BBVS District Offices and their addresses and telephone numbers (Voice & TTY) follows. The OVR and BBVS public forums are planned for March 19, 2001, through March 30, 2001. Persons/organizations wishing to obtain information regarding the specific time and location of the meetings in their area, a copy of the State Plan Attachments, or other information regarding OVR or BBVS services should contact the appropriate District Office in their area.

Copies of the current Combined Agency State Plan and revised Attachments will be available on the OVR website: <http://www.dli.state.pa.us/ovr>.

## DEPARTMENT OF TRANSPORTATION

### Public Transportation Grants Management Accountability

#### I. Introduction

Act 3 of 1997, Section 1315, requires the periodic completion of management performance audits by all transit entities receiving financial assistance under public transportation grant programs administered by the Pennsylvania Department of Transportation (Department). The Act further stipulates that the Department shall establish criteria to be followed by transit entities in the completion of these audits. The following guidance is intended to fulfill this requirement. These guidelines are applicable to Class 1, 2 and 3 transit entities.

While the legislation specifically references "audits", the following guidance will use the term "management performance review" or "review" to establish a clear distinction between the annual independent financial audits which transit entities are required to complete, and the management reviews described herein.

#### II. Schedule for Completion

Class 1 transit entities shall initiate the next management performance review following the publication of this guidance, not later than 5 years after completion of the SEPTA Business Audit performed by Phoenix Management Services, Inc., and dated May 1998. Thereafter, Class 1 transit entities shall initiate and complete a management performance review at least once every five years.

Class 2 transit entities shall initiate the next management performance review following the publication of this guidance, not later than 5 years after completion of the Business and Organizational Review of Port Authority of Allegheny County performed by Booz-Allen & Hamilton, Inc. and dated July 1998. Thereafter, Class 2 transit entities shall initiate and complete a management performance review at least once every 5 years. The management performance reviews described herein may be conducted as part of audits/reviews completed by Class 2 transit entities pursuant to the Second Class Port Authorities Act, 55 P.S. § 551 et seq. as amended. To the extent that the audit/review is substantially in conformance with the requirements specified in this guidance, the department will accept the combined audit/review as satisfying the requirements of Section 1315 of Act 3 of 1997.

Class 3 transit entities shall begin the initial management performance review based on the following schedule:

1. Class 3 entities in urbanized areas with a population of more than 200,000, shall begin their first management performance review no later than July 1, 2001.

2. Class 3 entities in urbanized areas with a population of under 200,000, shall begin their first performance review not later than July 1, 2002.

Thereafter, all Class 3 transit entities shall initiate and complete a management performance review at least once every seven (7) years.

Class 3 transit systems which operate in the Philadelphia and Pittsburgh urbanized areas (at the time of publication of this guidance these systems are the Beaver County Transit Authority, Westmoreland County Transit Authority, and the City of Washington) will be defined as urbanized areas with a population of under 200,000 for purposes of scheduling reviews, and therefore are required to begin their initial in accordance with the schedule in item 2 above.

All Class 1, 2 and 3 transit entities are required to complete their respective management performance reviews within ten months of the scheduled date of initiation of the review. Class 1, 2 and 3 transit entities shall bear all costs of performing the management performance reviews. The management performance reviews shall be conducted by a qualified independent auditor, and/or an independent firm or agency with appropriate experience and qualifications to conduct management performance reviews of public transportation entities. The services of the party contracted to perform the review (hereafter referred to as the "consultant") must be obtained through a competitive procurement process. Procurement documents must specify the required scope for the review, which shall be in compliance with this guidance, and must be submitted to the Department for written approval prior to advertisement. Transit entities that provide both urban transit service (as a Class 1, 2 or 3 transit entity), and rural service (as a class 4 transit entity) may elect to conduct one management perfor-

mance review, in accordance with this guidance, encompassing both urban service and rural services.

### III. Organization Functional Review

The selected consultant shall conduct a system performance review to determine the operating efficiency and service effectiveness for both the transit system as a whole, and for selected organization functions and activities of the agency. The analysis of the efficiency and effectiveness of the forenamed organization shall, at a minimum, include the functions and activities listed below. The transit entity is encouraged to include additional functions and activities in their evaluation as it finds appropriate.

#### *Organization Functions to be Reviewed:*

1. Board of Directors
2. Management/Administration
3. Finance
4. Human Resources
5. Transit Operations
6. Vehicle/Facility Maintenance
7. Marketing/Promotion

### IV. Systemwide Performance Evaluation

The analysis of systemwide performance shall, at a minimum, include the following transit industry performance measures:

#### *Transit Performance Measures to be Included:*

1. Operating cost per vehicle mile and/or per vehicle hour
2. Operating cost per originating passenger
3. Originating passengers per vehicle mile and/or per vehicle hour
4. Total employees per vehicle mile and/or per vehicle hour
5. Total vehicle miles and/or total vehicle hours per peak vehicle
6. Average age of the active vehicle fleet
7. Ratio of operating revenue to operating expenses (required for fixed route services only)
8. Average trip length (required for demand response services only)

Transit entities are encouraged to supplement these measures with additional performance factors which would be helpful in determining the agency's overall operating efficiency and service effectiveness.

The review shall include a time-series trend analysis of the above performance measures for the agency for the five most recently completed fiscal years. Based on this trend analysis, the consultant shall identify the areas of relative improvement and relative decline. To the maximum extent possible, the consultant shall identify the probable causes of these relative changes and make recommendations intended to strengthen the performance of the transit system.

In addition to this systemwide trend analysis, the review shall include a comparison of the above perfor-

mance measures for the agency, for the most recently available fiscal year, with the same measures for approximately five "peer" transit systems. The peer transit systems, to the maximum extent possible, should have similar operating characteristics including service area, number of vehicles, types of services offered, etc. The selected peer transit systems may be either systems within, or outside of Pennsylvania.

Based on this peer-group analysis, the review shall identify the transit entity's areas of relative strength and relative weakness when compared to the peer group. To the maximum extent possible, the consultant shall identify the probable causes of these comparative strengths and weaknesses, and make recommendations intended to strengthen the performance of the transit system.

Finally, the review must include an evaluation of the results of the customer satisfaction surveys completed by the transit agency in accordance with Section 1315(c) of Act 3 of 1997. At a minimum this analysis must address the following six state-mandated subject areas:

- a. On-Time Arrival & Departure
- b. Vehicle Cleanliness
- c. Fares
- d. Driver Courtesy
- e. Safety
- f. Overall Customer Satisfaction

The transit entity is encouraged to evaluate additional areas of customer satisfaction that were included in the agency's customer satisfaction survey. This analysis shall include a time-series trend analysis of this information for the five most recently completed fiscal years. Based on this trend analysis, the consultant shall identify the areas of relative improvement and relative decline. To the maximum extent possible, the consultant shall identify the probable causes of these relative changes and make recommendations intended to improve customer satisfaction.

### V. Transit System Response and Submission of Independent Review

Upon receipt of the final report, each transit entity shall prepare an action plan addressing the findings and the recommendations contained in the independent review. The action plan must be approved by the transit entity's governing body within two months of receipt of the final report. Upon approval of the action plan by the transit entity's governing body, a copy of the independent review report and the agency's action plan must be submitted to the Department. In addition, Class 1 and Class 2 transit entities must submit a copy of the independent review report and the agency's action plan to the Legislative Budget and Finance Committee, the chairman and minority chairman of the Transportation Committee of the Senate, and the chairman and minority chairman of the Transportation Committee of the House of Representatives.

The transit entity shall implement its action plan in accordance with the time frames specified in the plan.

## TREASURY DEPARTMENT

### Notice of Names of Persons Appearing to be Owners of Abandoned and Unclaimed Property

Listed as follows are the names and last known addresses of local residents who are the rightful owners of property recently received by Treasury. We are advertising their names here because they have not responded to letters sent to their last known address. Please take a few minutes to look for your name, or the names of people you may know.

If you find your name on this list, call Unclaimed Property customer service representatives at (800) 222-2046. Or you can fill out an inquiry form on Treasury's Web site, [www.treasury.state.pa.us](http://www.treasury.state.pa.us), to begin the claims process.

If someone other than Treasury's Unclaimed Property staff contacts you offering to help you claim property, call us first. Our services are free. Others may legally charge a fee of up to fifteen percent of the total value of any property recovered on your behalf.

If a number appears after your name, please refer to the cross-reference list titled "Unclaimed Property Holders" and contact that company directly to claim your property. (If you choose not to contact the company within the next 3 months, contact Treasury's Unclaimed Property to file your claim.)

If you find the name of someone you know, please encourage him or her to contact us.

If your name is not on the list, don't give up! The names listed here represent only a tiny fraction of our database. We have more than a million names and over \$500 million worth of property on record. One in every 14 Pennsylvanians is entitled to unclaimed property and the average claim is \$1,000. Call the toll-free number and we'll check the complete database for you. Or you can search for a name yourself, day or night, by visiting Treasury's web site and using our new, easy, interactive search program.

## TURNPIKE COMMISSION

### Retention of an Architectural/Engineering Firm

#### Design of the Westgate Service Plaza Reference No. 1-122

The Turnpike Commission (Commission) is seeking interested firms to submit Letters of Interest for Architectural/Engineering design services for the construction of a new Service Plaza in the far Western portion of the Turnpike system. This project will include all design work for buildings necessary to meet the various programmatic needs for the full service plaza, which will include restaurant/dining operations, convenience store, restrooms, vehicle fueling, traveler information center, farmers' market, and the like. Also included is design for all plaza site work for parking, lighting, pedestrian walkways, canopies, picnic areas, landscaping, security features, and the like, and design of all civil engineering for the site and the interchange—including a bridge over the Turnpike, ramps, ramp lighting, and the like.

Questions and inquiries concerning this Project should be directed to Don Santostefano at (717) 986-9627 or by e-mail at dsantost@paturnpike.com.

The following factors will be considered by the Commission during the evaluation of the firms submitting Letters of Interest for these projects:

a. Specialized experience and technical competence of prime consultant and subconsultants. The Team must clearly demonstrate an ability to analyze available data to make decisions and develop documents to complete the project in a timely and cost effective manner.

b. Past record of performance with respect to cost control, work quality, ability to meet schedules and previous experience on similar projects. The consultant should identify similar projects that have been completed by that firm as the prime, the magnitude of the project, and the client.

c. The specific experience and number of individuals who constitute the firm.

d. Location of consultant's office where the work will be performed.

e. Workload of the prime consultant and subconsultants for all Pennsylvania Department of Transportation and Pennsylvania Turnpike Commission projects.

f. Other factors, if any, specific to the project.

#### General Requirements and Information

Firms interested in providing the above work and services are invited to submit a Letter of Interest with the required information. The Letters of Interest must include the following:

1. One page transmittal letter clearly identifying the project reference number, brief description of the project from the advertisement, the firm's federal identification number, the firm's legal name, contact person or project manager, address of corporate office and project office. (If the firm has multiple offices, the location of the office performing the work must be identified).

2. A three page expression of interest on the advertised project. Each firm should demonstrate their ability to perform the specific requirements indicated for the project and provide explanation that the firm has successfully completed similar type projects of the same magnitude.

3. An organization chart for the Project, identifying key personnel and any subconsultants and their roles. Any deviation from the subconsultant's listed in the letter of interest will require written approval from the Commission.

4. Tabulation of workload for the prime consultant and all subconsultants for all Pennsylvania Department of Transportation and Pennsylvania Turnpike Commission projects.

5. The package must include the following:

- Standard Form (SF) 254—Architect-Engineer and Related Services Questionnaire in its entirety, not more than 1 year old as of the date of the advertisement.

- Resumes of key personnel expected to be involved in the project. (limit to one 8 1/2 × 11 page, one side, per person). Only resumes of key personnel should be included.

- Copy of the firm's registration to do business in the Commonwealth as provided by the Department of State for firms with out-of-state headquarters or corporations not incorporated in Pennsylvania.

- A copy of the Department's DBE/WBE Certification, if applicable.

If a Joint Venture responds to a project advertisement, the Commission will not accept separate letters of interest from joint venture constituents. A firm will not be permitted to submit a letter of interest on more than one joint venture for the same project reference number. Also, a firm that responds to a project as a prime may not be included as a designated subconsultant to another firm that responds to the same project advertisement. This does not preclude a firm from being set forth as a designated subconsultant to more than one prime consultant responding to the project advertisement.

The Turnpike Commission is committed to the inclusion of disadvantaged, minority, and woman firms in contracting opportunities. The minimum participation level for DBE/MBE/WBEs in this contract will be 10%. Responding firms shall clearly identify DBE/MBE/WBE firms, expected to participate in these contracts, in their letter of interest. If the selected firm does not meet the minimum requirement for DBE/MBE/WBE participation, they will be required to demonstrate good faith efforts to achieve the required level. Proposed DBE/MBE/WBE firms must be certified by the Pennsylvania Department of Transportation at the time of the submission of the letter of interest. If further information is desired concerning DBE/MBE/WBE participation, direct inquiries to the Contracts Administration Department, Pennsylvania Turnpike Commission by calling (717) 939-9551 Ext. 4241.

Firms interested in performing the above services are invited to submit a letter of interest and required information to Don Santostefano, Facilities Manager, at the PA Turnpike Commission Administration Building located at 176 Kost Road, Carlisle, PA 17013-0779. (FedEx address: 176 Kost Road, Carlisle, PA 17013-0779) (Mailing Address: P. O. Box 67676, Harrisburg, PA 17106-7676).

The Letter of Interest and required information must be received by 12 noon, Friday, March 2, 2001. Any letters of interest received after this date and time will be time-stamped and returned.

Based on an evaluation of acceptable letters of interest received in response to these solicitations, one firm will be selected for this project. The order of preference will be established for the purpose of negotiating an agreement with the highest ranked firm established by the Technical Review Committee and approved by the Selection Committee. Technical Proposals or Requests for Proposals will not be requested prior to selection.

The Commission reserves the right to reject all letters of interest, to cancel solicitation requested under this notice, and/or to re-advertise solicitation for the work and services.

## **Retention of an Engineering Firm**

### **Full Depth Roadway Reconstruction Westmoreland and Somerset Counties**

#### **Reference No. 1-124**

The Turnpike Commission (Commission) will retain an engineering firm for the design of the Full Depth Roadway Reconstruction Project between approximate Mileposts 99.00 and 109.00 in Westmoreland and Somerset

Counties. The selected firm will be responsible for the preliminary and final design of this project.

The engineering services required would include supplemental field surveys, cross sections, evaluation of utility conflicts and potential relocations, development of erosion and sedimentation control plans and specifications, preparation of hydraulic reports for waterway approvals, preliminary and final traffic control plans, structural foundation reports, preparation of Type Size and Location and final bridge plans, preparation of preliminary and final right-of-way plans, geotechnical investigations, preparation of preliminary and final construction plans and specifications in order for the Commission to bid the total reconstruction of the roadway generally between Milepost 99.00 and 109.00. The intent is to rebuild the roadway and widen the median to a width that will be based on preliminary evaluations. It is anticipated that all of the mainline structures will require widening and that all overhead structures within the project area will be evaluated for rehabilitation, replacement, or elimination. An entirely new drainage system will be installed.

In addition, low-level photography will be available in this area to an accuracy of  $\pm .05$  feet. Hard copies of the mapping and a disk will be provided to the consultant for their use. A digital terrain model in AutoCAD DWG or Microstation DGN format will also be provided. The consultant will be required to perform supplemental surveys and reestablish the existing centerline of the Turnpike. Also, cross sections will be cut and plotted from the available information. The design for this project will be performed in English Units. All plans (drawings), including cross-sections, profiles, etc. will be prepared utilizing AutoCAD DWG or Microstation DGN format. Translation of the plans from one format to the other is not acceptable.

Selections are generally made from one of four distinct pools of qualified bond counsel, which were established through a formal Invitation to Qualify ("ITQ") selection process last year. OGC expects to continue making its bond counsel appointments for future Commonwealth financing transactions to Law Firms qualified through the ITQ process. AT THIS TIME, OGC IS INVITING ADDITIONAL LAW FIRMS TO QUALIFY FOR PARTICIPATION IN EACH OF THE FOUR ESTABLISHED BOND COUNSEL POOLS. OGC strongly encourages all interested Law Firms to participate at this time to ensure consideration of their qualifications to provide bond counsel services to the Commonwealth. PLEASE NOTE THAT LAW FIRMS CURRENTLY INCLUDED IN A BOND COUNSEL POOL ARE NOT REQUIRED TO SUBMIT QUALIFICATIONS FOR THAT POOL, BUT MAY SUBMIT QUALIFICATIONS FOR INCLUSION IN OTHER POOLS FOR WHICH THEY ARE NOT CURRENTLY QUALIFIED. Law Firms may seek to provide bond counsel services for one or more of the following Executive Agencies, or groups of Executive Agencies, under the Governor's jurisdiction: Bond Pool 1: Commonwealth of PA, Office of the Budget, the PA Infrastructure Investment Authority (PENNVEST) and/or the State System of Higher Education. Bond Pool 2: PA Housing Finance Agency Bond Pool 3: PA Economic Development Financing Authority and the PA Industrial Development Authority. Bond Pool 4: PA Higher Education Facilities Authority and the State Public School Building Authority. To request a copy of the ITQ, please contact Jane Demko by mail at OGC, 333 Market St., 17th Fl., Harrisburg, PA 17101, by email at jdemko@state.pa.us or by fax at (717) 787-1788. Submissions to this ITQ are due by 2:00 p.m. on March 16, 2001. OGC will reject as non-responsive all submissions received after this date and time. Email or fax submissions will not be accepted. OGC is not responsible for any expenses that Law Firms may incur in preparing and submitting to this ITQ. All information submitted will become the property of OGC and may become public information. Please note that OGC reserves the right to change, suspend, discontinue or modify any aspect of this ITQ process at any time.
